1949

BALCOALA

PUBLISHED BY THE BETA CLUB OF
BALDWIN COUNTY HIGH SCHOOL
BAY MINETTE, ALABAMA

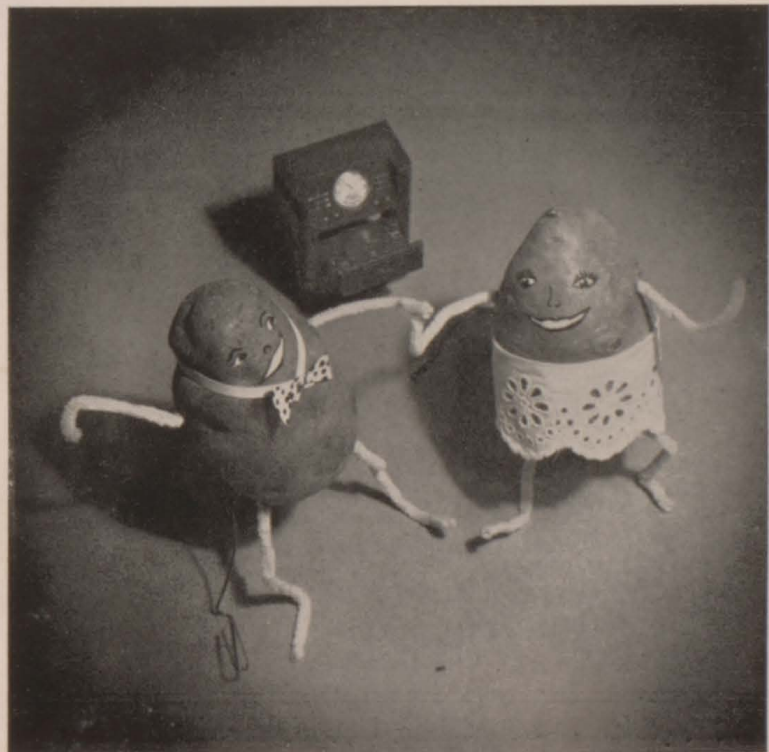

I, Peter Potato, am
honored to dedicate the 1949 BALCOALA to the
future prosperity of Baldwin County. In
our county we have many things that make it a good
place to live. We have Industry, Agriculture, Forestry,
Cattle, Fisheries, and many other assets. But the
finest is our Young People, and it is a great
pleasure for me to introduce the Boys and Girls of

BALDWIN COUNTY HIGH SCHOOL

These Students will
always enjoy remembering
their happy . . .

SCHOOL LIFE

THE BIG WHEELS

John Conway, Editor—John W. Wilson, Ass't. Editor

A Word From the Staff

The staff has attempted this year to make the Balcoala more representative of our school and its students, and to promote student participation and concern for the affairs of the Balcoala.

The members of the staff have struggled harder than ever this year to give you this year book. With a debt hanging over us from last year and the fear of leaving a new one, we have racked our brains for money-making schemes.

Erwin Davidson, advertising manager, has used her charm and pleasing personality to advantage to fill the final pages with good advertisers to help make the book tally on the financial side.

Aside from the financial part of it, building a year book is no "gravy train." It takes literally hours of planning themes and layouts deciding on the size of pictures, pasting them in the copy book, choosing appropriate captions and headings, and finally writing the copy.

We hope that you will not be too critical, but will appreciate and cherish this volume as we do.

Student Council

President _____ Myrtice Carr
 Vice President _____ John W. Wilson
 Secretary _____ Janice Cox
 Treasurer _____ Sabra Stough
 Sponsors—Mrs. Milam, Mrs. Durant

The student council under the able leadership of Myrtice Carr, student body president, has intensified its efforts to represent the interests of the student body, striving to do everything possible to make school life happier and more worthwhile for each individual.

Several of its accomplishments this year have been: to join the Southern Assembly of Student Councils, to send two delegates to attend the annual Convention in Mobile, to give an assembly program, and to sponsor recreation nights at school.

COUNTING THOSE DEMERITS!

Allen Hayes—Judge; Sue Harris—Secretary

The members of the student court this year have enjoyed what they believe was a well earned rest. There was a sharp reduction in the number of students who came before the court. This may have resulted from either increased laxness on the part of the teachers or of a real spirit of "behave myself" among the students. (We sincerely hope that it was the latter.)

"The Tiger Rag"

"To be or not to be"—that seems to have been the question concerning the publication of the **Tiger Rag** this year. Several changes have been made in the staff since the first of the year, but everything seems well under control now.

It would be extremely nice if they could have the newspaper style again, but it looks as if the mimeograph office style is here to stay. Anyway they manage to ferret out everyone's darkest and most amusing secret, even if it is a little hard to read at times.

The Band Club, organized in September, 1948, has 11 members. The purpose of this club is to relieve the sponsor of some of his many responsibilities. B. C. H. S. is deservedly proud of its band. They won the County Contest on Armistice day at Foley. Their performance at football games was quite an added attraction, one of their most effective numbers being "blowing Bubbles."

The high light of the year was the parade at Mardi Gras where they put on a splendid performance.

Glee Club

President Betty Jean Duck

Vice President Billy Little

Secretary-Treasurer Agnew Thompson

The Glee Club welcomed a new sponsor this year, Miss Sara Dennis from Monroeville, Ala.

They gave a beautiful Christmas Cantata at the Methodist Church and presented a variety show composed of Latin and Old American numbers.

Their social events included a banquet at Mac's Place in November and a Christmas party in the Music Studio.

BETA ACTIVITIES

The Beta Club started the year off "with a bang" by presenting the play, "Too Many Mothers." Already fifty strong, the doors of the club were opened twice during the year, taking in approximately thirty new Betas. After the fall induction of new members, the hilarious initiation day was held, a day greatly dreaded by all new Beta members. This was climaxed by the formal initiation and a dance several nights later in the auditorium. The annual May Queen Contest was also sponsored by the Betas. After two weeks of cut-throat campaign excitement, the contest ended with a May Queen Ball at which the Queen was crowned. The Betas sponsored the Who's Who election which is always one of their annual projects. Another annual project is to present a Good Sportsmanship award at the County Basketball tournament. This year it was presented to Fairhope.

Front Row—Jack Morris, Shelby Langston, Johnny Wilson, John Earl Rasberry, Billy Miller, Laurie McMillan, Lee Catreet, James Irwin, A. W. Ferguson, Allen Hayes, Albert Blount, Johnny Conway, Betty Jean Duck, Helen Smith. **Second Row**—Eula Lee Stewart, Suzie Waters, Peggy Pullen, Kathleen Jones, Emma Jean Jerkins, Betty Nell Byrd, Nell Ree Smith, Myrtice Carr, Joyce Steedly, Leola Yarbrough, Trez Van Lee, Jane Jordan, Charlotte Van Dyke, Margie Overstreet, Noma Quinley, Jeanne Burnett, Ann Willis. **Back Row**—Ruth Taylor, Erma Clyde Gentry, Georgia Mae Pittman, Joyce Mosley, Peggy Guy, Betty Trawick, Julie Minchew, Sabra Stough, Anna Lyle West, Gay Nell McElhaney, Jeanette Thompson, Gloria Sandburg, Lorie Marie Poston, Gloria Burch, Betty Reid, Annie Laurie Taylor, Sue Harris.

BETTY JEAN PRESENTS THE SPORTSMANSHIP TROPHY

Peter Potato Peeps On The Conventioners

Eighteen B.C.H.S. Beta Conventioners left for Birmingham on the Humming Bird on March 10, accompanied by Miss Opal Powell. On arriving in Birmingham they were met by John Conway and Laurie McMillan who went through the country in Conway's car. Wilson, Hayes, Conway and McMillan stayed at the Tutwiler, the others at the Thomas Jefferson.

Friday morning everyone was up early to start the election campaign for "Wilson for President."

Betas from the four corners of Alabama began arriving in the lobby of the Tutwiler to register and get their banquet and dance tickets, and the B.C.H.S. Betas met new Betas and some old acquaintances of last year's convention. At four o'clock that afternoon there was a "Get Acquainted Party" in the Terrace Room of the Tutwiler, after which the first general session was held at Phillip's High School.

The hotels of Birmingham were plagued that night by Baldwin boys looking up their new acquaintances of the day.

The big moment came Saturday afternoon at the third general session—the election. The race was close and exciting, but happily Wilson won.

With this mission completed, the fun now began in earnest. The banquet began at 6 p.m. where John Conway made an elaborate toast to the girls and John Wallace Wilson made his acceptance speech. The last attraction for the Betas—the big ball—started at 9:30 and lasted till 12 o'clock. None of the Betas from Baldwin were caught asleep that night, but some were caught at the Vulcan. The next morning—the train ride home for the club, and the open road for Conway and McMillan.

The main project of the F. F. A. this year has been to purchase four registered Duroc Jersey gilts. These gilts were issued to Emanuel Quinley of White House Fork, Raymond Wilson of Lottie, Otis Presley of Lottie, and W. C. Blair of Bay Minette. When these boys received their gilts they promised to let the F.F.A. chapter select two gilts from the first litter. These will in turn be given to two other F.F.A. boys who will follow the same procedure. The gilts were bought with the money made from the broilers which the F.F.A. raised in the shop of the Agricultural Building.

The F.H.A. is an organization for encouraging interest in home making. Membership has increased from 42 to 70. The theme of the programs for this year was "Selecting a Suitable Career." People representing different professions were invited as guest speakers. The club contributed to the State Scholarship fund. They had parties for recreation and cooperated in many programs that helped improve the school. The club agreed to adopt a Home Ec class in England.

The Baldwin County Science Club is composed of a group of students who are interested in advancing their own knowledge of science.

John Conway and Norville Davis entered the eighth annual Science Talent Search sponsored by Westinghouse, and also the General Gorgas Scholarship Award in Alabama. It is rumored that one of them is being seriously considered for the award.

A group of members are planning to attend the annual convention held in Troy this year, at which time they will enter their project for the year, a study of the principles of the photo-electric cell. A thesis will also be presented by some member of the club at the convention.

The Camera Club has had one of its most active years. This year's activities included many things other than the usual taking, developing, and printing of pictures. The main project was to raise money for the enlarger fund. Two outstanding parties were given for this purpose. One was a masquerade ball which was well attended and greatly enjoyed, and the other was quite unique, being the first B.C.H.S. school party ever to use a night club as its theme. A very entertaining trip was made to Bellingrath Gardens on March 5. Altogether, they have had a very successful year with the promise of even greater success next year with the use of the new enlarger.

President..... Billy Miller
 Vice President..... Jack Davidson
 Secretary..... John Jones
 Advisor..... Coach Spear

The "B" Club under the leadership of their president, Billy Miller, and with the help of Coaches Spear and Williams have accomplished a very successful year. At the beginning of the year, new officers were elected and a new set of by-laws written. After football season was over they had four new members to join, bringing the total membership to 18. The following have received letters and have joined the club: Jack Morris and cheerleaders Bobbye Fleming, Susan Stephenson, and Jo Anne McKenzie.

They are planning a party with the money they now have in the treasury, which is about \$60.

Literary Centipedes

President _____ Ruth Weekley

Vice President _____ Herman Harville

Secretary-Treasurer _____ Perry Foster

Sponsor _____ Mrs. Stough

The members of the Library Club have contributed most of their time and effort to improving the conference room which is open to all organizations in school. For several days they were seen walking over buckets and under ladders with paint smeared from head to toe. They made new curtains, and these in addition to the new furniture, gave the room that "lived in look."

Another project of the Club was to arrange appropriate books and displays for the Library bulletin board on various themes and seasons.

... and how we all went in for

A T H L E T I C S

Football

For the first time in twenty-two years, the Baldwin County High School Tigers wound up their football season undefeated. The 7-7 tie with Atmore was the only mar on the Tigers' record. The Tigers scored 216 points while holding their opposition to only 69 points. This was a great year for the Tigers as there were nine who were playing for the last time. They hung up their uniforms on Thanksgiving to swap them for sheepskins on May 12. The team worked together better than any Tiger eleven has in many years. There were no standouts. Every man worked together for the benefit of the team and that is what it takes to make a winning team. The Tigers also had capable reserves. When one of the first eleven was injured, they could step in and fill up the position readily. This winning combination came by hard work and plenty of practice under the excellent tutorship of Coaches Spear and Williams. So we take off our hats to the 1948-49 Baldwin Tigers, who so courageously carried the flag of orange and black through ten battles, and at Thanksgiving, when the last battle was fought, the flag was still flying high.

"Tigers Grab Easy Victory from Flomaton"

The B.C.H.S. Tigers opened their 1948 grid campaign with an impressive victory over a stubborn but outmanned Flomaton eleven, 27-0. Flomaton managed to get four first downs, three by way of penalties, and the other one against the subs.

The Tigers started their scoring when Boone punted into the end-zone and Flomaton's safety man, taking a desperate gamble, was tackled behind the goal for two points.

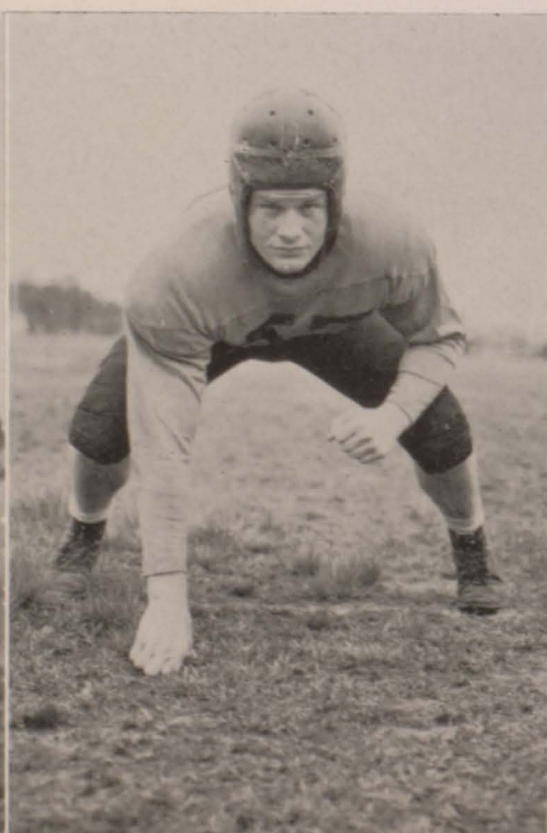

Then in the second quarter, the Tigers took over on their own 35, and marched 65 yards to their first touchdown. Stuart and Hall alternated in lugging the pigskin, with Stuart crashing over guard to climax the drive. Bryant's try for the extra point was blocked. Again, near the end of the second period, with the ball resting on Flomaton's 12 yard line, Waltz cut off tackle and hit pay dirt once more. Bryant's kick was wide by inches.

The Tigers couldn't get going in the third period but opened up again in the fourth quarter. Hall, on a fake reverse, skirted his own right end and raced 55 yards down the sidelines to another touchdown. Bryant's kick was good. This was a costly point, however, as Bryant's ankle was broken and he was lost to the Tigers for the remainder of the season. A few minutes later Hall crossed the double stripe again after receiving a 15 yard pass from Byrd and evading two Flomaton tacklers on a nice broken field run. Rasberry's try for the extra point was blocked. The game ended with the Tigers in possession of the ball.

"Tigers Crush T. R. Miller"

For the first time in three years the Tigers not only scored on Miller, but completely crushed the up-staters by a 20-7 score. Neither team scored in the first quarter, although Miller got within the Tiger's fifteen. The stubborn Tiger forward wall, led by the guards, Miller and Weekley, crashed time and time against the rough Miller line to get the quarterback and completely baffle the offense.

The second period the Tigers began to roll. The first touchdown came when Stuart bucked the line from the four-yard line. Hall's kick split the uprights to enable the Tigers to lead 7-0 at the half.

Miller managed to make a six-pointer in the third period when they blocked Boone's punt and covered the ball in the end zone. They bucked the line for the extra point to tie it up at 7-7.

The Tigers came storming back in the fourth quarter to make two more touchdowns. D. Griffin made the second Tiger touchdown on an end around that covered about 15 yards. Hall's kick was wide. The Tigers kicked off and held four downs and took over to march to another touch-

down. Bush drove between guard and tackle to make the Tiger's final tally. Hall booted the extra point. The game ended with the Tigers whole second team on the field.

"Tigers Smother Monroeville"

The Tigers, with the 6-0 defeat handed them by Monroeville last year still fresh in their mind, scored at will to beat the Monroe County boys 38-6. The Tigers' second team saw as much or more action than the varsity. The victors went to work early to be enjoying a 20-0 lead at half time.

Some of the finest running of the season was turned in by Bush who accounted for one of the touchdowns. Hall and Langston tied for scoring laurels, as Langston carried the oval over the goal line twice, once after receiving a pass and again on an end around. Hall scored twice, both times after receiving a pass from Stuart.

The whole forward wall played outstanding ball by opening holes on offense and crashing through on defense to bottle up Monroeville's plays. The Tigers didn't have to punt a time. Hall kicked one extra point and Langston snagged a pass for the other one.

21-6

"Tigers Down Fairhope"

Before the second largest crowd ever to witness a football game at Simmons' Field, the B. C. H. S. Tigers humbled the scrappy Fairhope eleven, 21-6. The game was much better than the score reads, however, as the two teams played pretty even ball. The Tigers scored in the first quarter when Denver Griffin, on an end around, ran about 30 yards. Both teams played defensive ball the second quarter as neither offered a serious scoring threat.

The Pirates kicked off the second half. On the first running play from scrimmage, Stuart on a fake reverse cut over the middle of the line and raced 61 yards to score standing up. The Pirates came storming back and marched 60 yards to their touchdown. Hoffman and Davis took turns in carrying the ball down to the Tigers' four yard line, where it was first down and goal to go. The Pirates tried to go over the Tigers' line for three downs but in as many times the Tigers forward wall stiffened and didn't give a single inch. Then Hoffman, who played outstanding ball all night, went around end to score after being hit six times. They tried to pass for the extra point but failed. The Tigers then scored their final touchdown on an end around with Griffin again carrying the ball. Hall booted all of the extra points. Neither team scored in the final quarter.

TOE DANCING THOMAS

25-6

"Tigers Defeat Robertsedale"

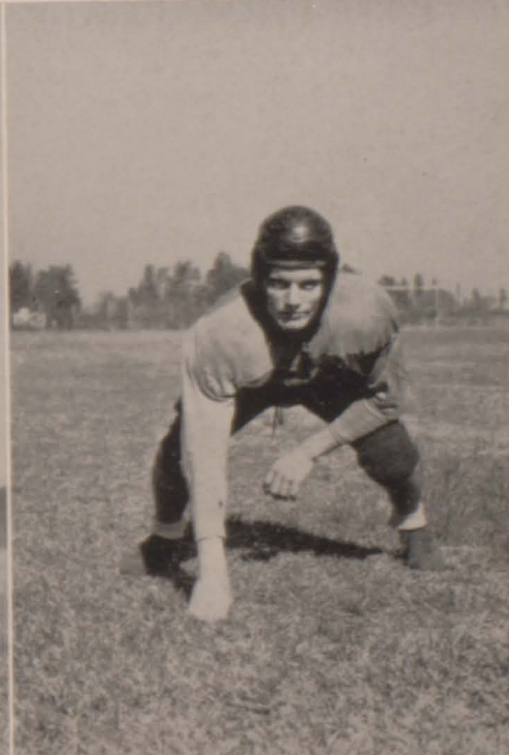

Before a cheering crowd of some fifteen hundred spectators, the B.C.H.S. Tigers ran over a weak Robertsedale eleven, 25-6. Within six minutes after opening kickoff, Waltz cut off tackle and ran the ball about 40 yards to Robertsedale's two-yard line. He scored two plays later and the try for the extra point was no good. After Robertsedale wasn't able to go any place with the ball, they punted to Bay Minette, who again marched to a touchdown. This time it was Stuart who crashed over.

The Tigers marched to their third touchdown in the second quarter, with Langston taking a pass from Stuart to climax the drive. Hall then kicked his only extra point of the night. The Tigers couldn't score as Robertsedale was playing better defense ball.

In the fourth quarter with the ball on the Tigers' 15 yard line, Hall sliced off tackle, cut to the sidelines and raced 85 yards to score standing up and not a man within 20 yards of him. Robertsedale came back and managed to score against the scrubs. Cooper went off guard and raced 50 yards to score. They tried to run over for the extra point, but the Tigers' line held. The game ended with the Tigers in possession of the ball on the midfield stripe.

20—12 "Tigers Trim War Eagles"

After the first five minutes of playing time in which W. S. Neal scored, the Tigers came back to outlast the War Eagles, 20-12. W. S. Neal broke two records of the Tigers, however. The Tigers trailed the War Eagles, the first time this year that they were behind, and the boys from Brewton also drove a touchdown over the Tigers first string line for the first time this year. Neal took the opening kickoff and scored before the Tigers ever had possession of the ball.

The Tigers came back in the second quarter with Stuart and Hall carrying the ball through holes in the line, which were made by the Tigers' forward wall. Stuart pushed the tally over. The Tigers scored again in this period when Denver Griffin, speed demon of the Tiger offensive punch, traveled 15 yards to go over standing up. Hall converted to give the Tigers a 13-6 lead at halftime.

In the third quarter again, the speed of Griffin proved too much for the opposition, and this time he took a handoff from Hall and skirted left end for 35 yards to the Tigers' third and final touchdown of the night. Hall converted. In the fourth quarter, the War Eagles staged a 62 yard march to score their final touchdown. They threatened again when they got down to the Tigers' four yard line and had four downs to make it. But the Tigers refused to yield and held them for four downs. The game ended right after Bay Minette took over.

25—12 "Tigers Knock Wind Out of Tech Hurricane"

Before a majority of Bay Minette spectators, the B.C.H.S. Tigers defeated Semmes Tech of Mobile, 25-12. The inability of the Tigers to get their offense clicking, together with Lady Luck, who was running with the Purple Hurricane, held the score at half-time to a measly 6-6 tie. The Tigers received the opening kick-off and began to march. Tech got her first break then, when Hall, who was carrying the ball on an end sweep, let the pigskin squirt from his arms when he was tackled right into the arms of the Tech halfback who raced 85 yards to score. This took the fight out of the Tigers for a while and it was not until the opening minutes of the second quarter that they scored. Bay Minette took over on Tech's 45 yard line and marched to the three yard line. The Tiger line then ripped the Tech line open to enable Stuart to score. That was all the scoring in the first half, although the Tigers were within Tech's five yard line when the half whistle blew.

Tech struck early in the second half, when Hadley's pass to Biggs was complete on the Tiger's 20. Three plays later, Hadley drove off tackle to put Tech in the lead again. The Purple Hurricane failed to make either extra point. This was like pouring fire on the Tigers' line, and they began to play magnificent ball, the brand they have played all year. They shoved Tech all over the field, except out of the end zone. The Tigers received the kickoff on their own 30, and marched 70 yards to score. The backs could have gotten in trucks and driven through the holes that the Tigers' forward wall ripped open. Hall climaxed the drive with a one yard smash. His record attempt for the extra point was wide. The Tigers took over a few minutes later, after holding Tech on the latter's 45 yard line. Once more the Tigers line enabled the backs to carry the oval to the Tech's goal line, from where Waltz ran over for a touchdown. Hall's kick split the uprights. Tech received the kick-off, and having seen that they couldn't go through the Tiger line, took to the air. They carried to the Tigers 25 but bogged down. The Tigers took over here and scored two plays later. Hall, behind beautiful blocking, carried to Tech's 32. Hall was then substituted and Bush, who replaced him, cut off tackle for the touchdown. Hall missed his kick for the extra point. The Tigers piled up an amazing 300 yards on the ground, while Tech eked out 75 yards. The Tigers led in first downs, 17-12.

20—6

"Tigers Get County Championship From Foley"

Before an overflow Armistice Day crowd, the Bay Minette Tigers grabbed the county championship from the Foley Lions, 20-6. The Tigers scored in the first quarter after recovering a Foley fumble and bringing the pigskin down to Foley's six inch line. Shafer dived over the middle to pay dirt. Hall converted. Early in the third quarter, the Tigers recovered a Lion fumble on Foley's 48 yard line. The Tigers had to march over 100 yards to this score, as time and time they had long runs called back and penalized 15 yards. Hall finally crossed the double stripes on an off-tackle slant. Once more Hall sent the leather zooming through the uprights to lead 14-0. Foley received the kick-off and took to the aerial route. They lucked passes, catching them after Tiger men had batted them down, only to fall in the arms of a Foley player. They finally lucked a touchdown and Parks tried to crash over center for the extra point, but he was smothered. With two minutes left in the ball game Bay Minette had the ball on their own 32. A Foley guard jumped the gun and was in the Tigers' backfield before the ball was snapped. The head linesman immediately blew his horn, and the referee dropped his handkerchief. For an instant the two teams stood dumbfounded. Then Hall, who had received the ball, realized that he could run and took off. Foley, too, realized it then; and two of their boys took out after Hall, but couldn't catch him.

Foley's coach protested the play, but after arguing with the referees to no advantage, he made his boys come off the field. The final score was 20-6.

13—7

"Tigers Halt Frisco City"

On water-drenched Simmon's Field with mud covering more than half the field, the Tigers were held to a 13-7 victory over Frisco City. The Tigers scored both touchdowns early in the first quarter, and then played defensive ball to hold "Frisco" scoreless till the last minutes of the game. The visitors scored, with the ball on their 30, when a pass was completed out in the flats and the receiver hugged the sidelines to score. They bucked over the center of the Tigers' forward wall for the extra point. The Tigers scored the second time they had the ball. D. Griffin, on an end around, raced 20 yards to score. The try for the extra point was no good. The Tigers were knocking on the goal lines a few minutes later, however, when Stuart climaxed a sustained Tiger drive by crashing over from the one foot line. Hall's kick for the extra point was good.

7—7

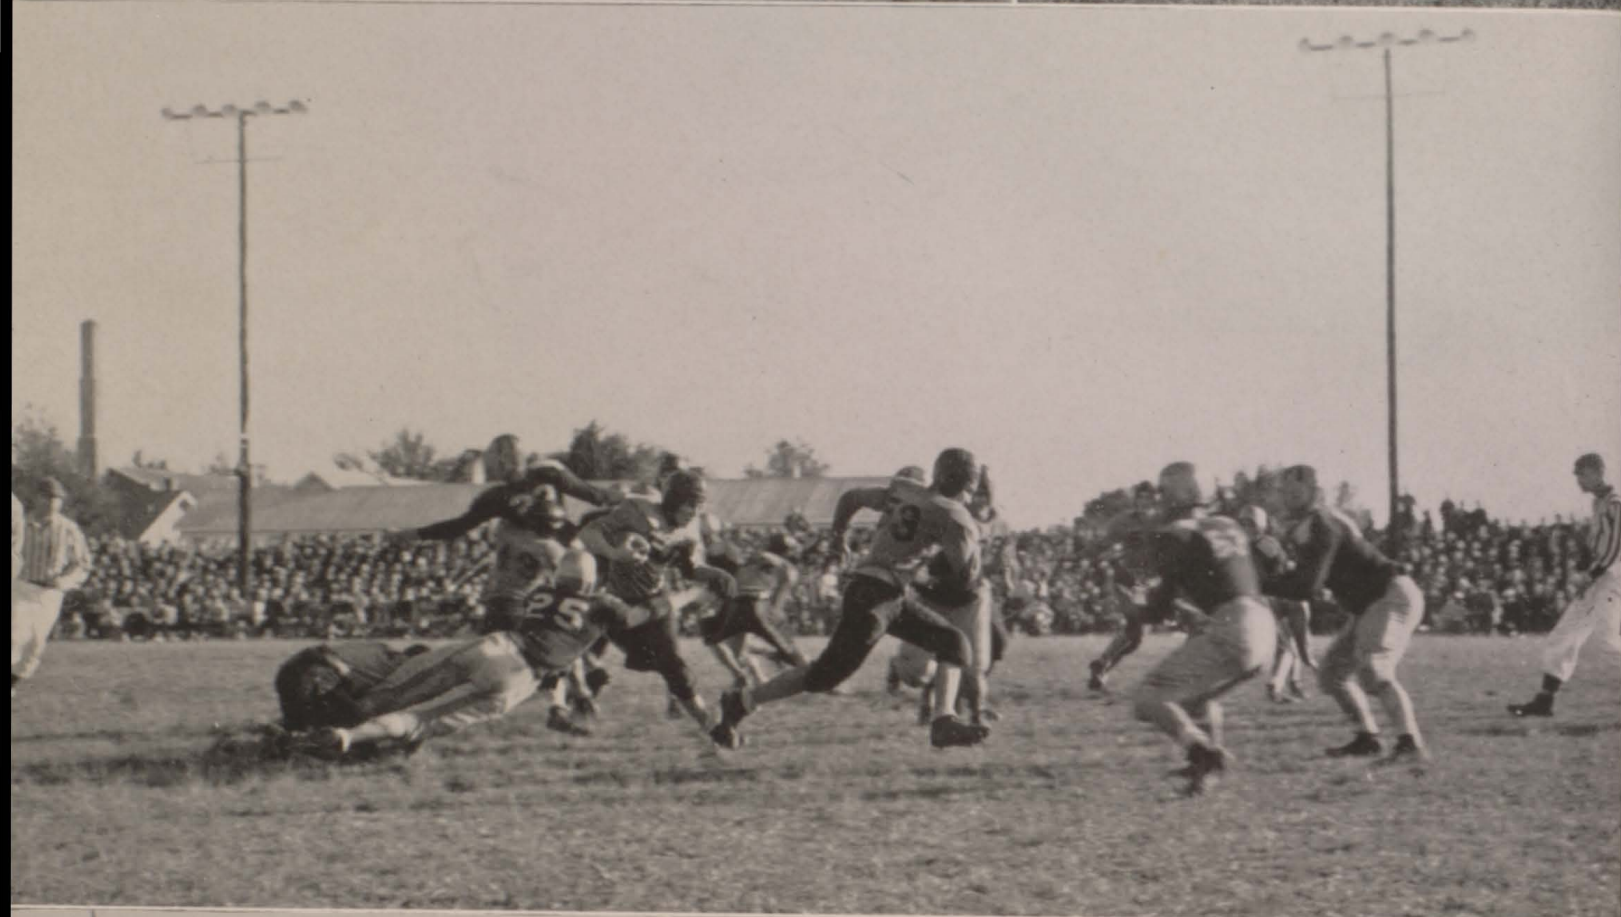

"Blue Devils Hold Tigers to Deadlock"

The Tigers wound up their 1948 football season with a 7-7 tie with Atmore. This was the Tigers first undefeated season since 1922. This game was played before the largest crowd ever to witness a football game at Atmore. The Tigers were helpless the first half, and the Blue Devils capitalized on a Tiger fumble on the latter's 44 yard line. After a series of line plunges Carl Madison went over to score. Emmons booted the extra point. The score at half time stood 7-0. But in the second half the Tigers changed from a single wing offense to a fast T. This completely baffled the Atmore squad as the Tigers drove them from one end of the field to the other, only to bog down on the goal line, time and again.

Atmore kicked off at the half, and Bay Minette lost the ball once on downs before they started a victory march. Stuart climaxed a 56 yard drive by smashing over to score. Hall split the uprights. The Tigers drove down to the goal twice again only to be held on downs. The game ended with the Tigers in possession of the ball on the Blue Devils' 34 yard line.

B. C. H. S. has had a baseball team for only the past three years since it was reorganized. In these three years, it has piled up a little over a .500 percentage mark, which isn't bad at all, considering that the first real baseball game in which some of them had ever played was the one the Tigers played three years ago.

Only three graduated from last year's squad. There are only three seniors on this nine; but all three play in the infield, which means that next year we'll have a new infield with one exception. The hitting of the team as a whole is not good, but its fielding is superb. We lost a hurler from last year's squad, but this hole was capably filled by a pitcher who is only a sophomore. We also have two new players this year who came to us from North Alabama.

The Faculty

The B. C. H. S. Faculty under the able supervision of Prof. C. V. Daniels was composed this year of 25 members, ten of whom were newcomers, but who were soon initiated into the ways of B. C. H. S. We lost one of our members at the end of the first semester when Mrs. Killibrew resigned. Mr. Lee took her place. On the whole the faculty has enjoyed a co-operative and profitable year with only a few minor irritations.

Senior Memories of 1948-1949

On August 25, we found ourselves beginning the year to which we had looked forward for eleven preceding years. At last we were having our fling at sophistication. What sophisticated seniors! To add to our dignity our class rings arrived. How important we felt!

Immediately the lunch room was taken over and carried on under the supervision of Morris Gilbert. Then Morris moved away and Emma Jean Duck took over the lunch room management. My! where did all the senior profit go? In February the highlight of our conversation was the Army-Navy Magazine Contest. The Army enjoyed a large box of candy as the result of their victory, and they are looking forward to being entertained at a picnic by the Navy in the near future. The lunch room and the magazine contest are the two annual projects of the seniors and the profit is presented as a parting gift from the class to its dear "ole Alma Mater." Everyone is wondering what the great surprise will be this year!

Hallowe'en night we were entertained by our room mothers, Mrs. Duck and Mrs. Barton, at a Hallowe'en party. The fortune teller seemed to know more about our life than we knew ourselves. We really had lots of fun!

Thanksgiving came before we knew it and with it the big football game of the year—the game with Atmore. Our undefeated Tigers tied and almost won. Of course, we believe that a good share of the credit for this undefeated season must be given to the nine members of the team who were from our senior class!

In and out among the highlights of the year are woven the numerous smaller memories—little memories which we could never forget because they make the picture complete.

Remember the orange and black jalopy which belonged to James Emmons? One day it seems that about six of our seniors lost their "so-called sophistication" in a wreck in this car. How could they do such a thing to us? And it happened right in front of "ole" B.C.H.S. too. No one was hurt and they didn't get to miss one single class.

Then the blessed event occurred—"dear ole Arabella" had her face lifted. She changed drivers right in the middle of the school year. And who is Arabella? Just that faithful old conveyance which has brought Mrs. West to school so faithfully every day for the past 15 years. Yes, dear Arabella passed into the loving hands of Jack Davidson who promises never to speed while she is under his control. Smooth rolling, Jack!

As we look back over our classes, we see that they really weren't so bad. We always managed to have loads of fun. Miss Leonard will never forget her chemistry and physics students. The fond memories of the "Physics Five" will be surrounded by—you guessed it—the smell of Miss Leonard's gold fish frying! And here's to the geometry class of 1948-49, who so bravely survived the war every day at fourth period. We will our foxholes to next year's geometry class. It seems that the typing students always begged Mr. Morris to give them speed tests. Especially, John Earl Rasberry!

Frequent visitors to see us during the year are the representatives from the different colleges who questioned us about our future plans. Of course we all know what the girl's plan for the future are—a husband and a home. But they do try to fool us! Ruby Hammonds has already rung her goal. Congratulations, Ruby!

We really felt our heads swell the day we measured for caps and gowns. Several days later we selected our invitations. This also inflated our ego; that is, until Mr. Daniels told us that we had to pay as we ordered. Wow! What a let down!!!! We also were questioned about the way our John Henry should go on that piece of sheepskin which we hope to receive.

Then came Mardi Gras Day! Poor Mrs. West had only four seniors in her literature class. "Very boring day," she said. We all had loads of fun! The remainder of the week spent nursing sore feet!

Other memories of this busy senior year were the A.E.A. holidays (how unusual); Beta Convention in Birmingham (The Lost Week-End); Opening of the Night Club, "Coca-Cabana"; Mr. Lee's Economics; Science Convention in Troy. We are still looking forward to the exciting events at the end of school—the Junior-Senior Prom (we'll all be starry-eyed)—senior privileges, the all-day picnic at the Gulf, senior parties, and most of all we're looking forward to those final exams!

As we look back over the year we realize it has been a good one—"the **best year** of our lives."
