

# The Balconada

The title 'The Balconada' is written in a large, flowing, orange script font with a thick black drop shadow. The word 'The' is smaller and positioned to the left of 'Balconada'. The text is set against a background of musical staves and notes.

1950

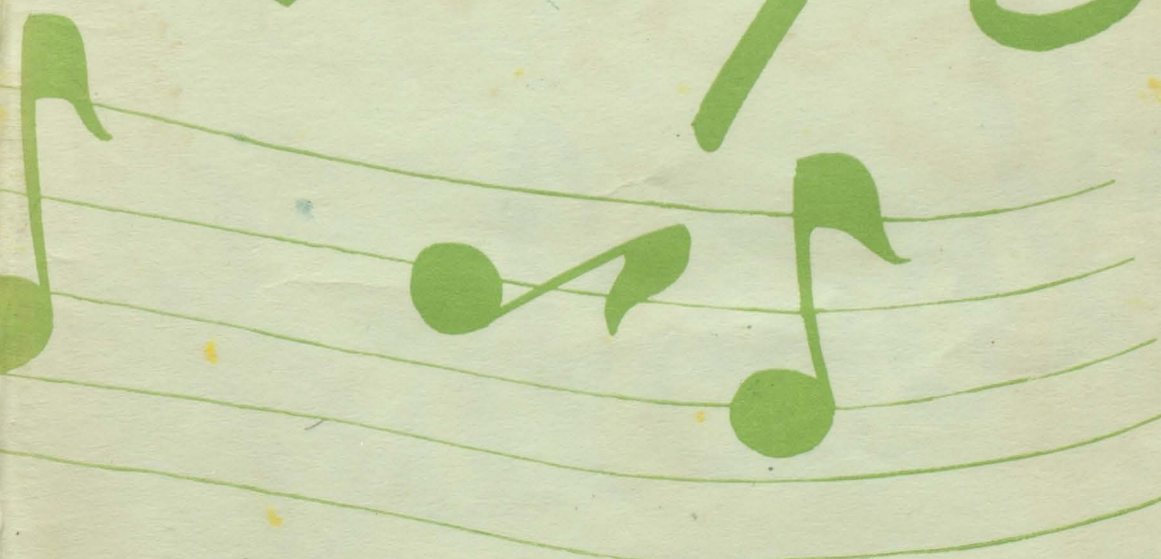

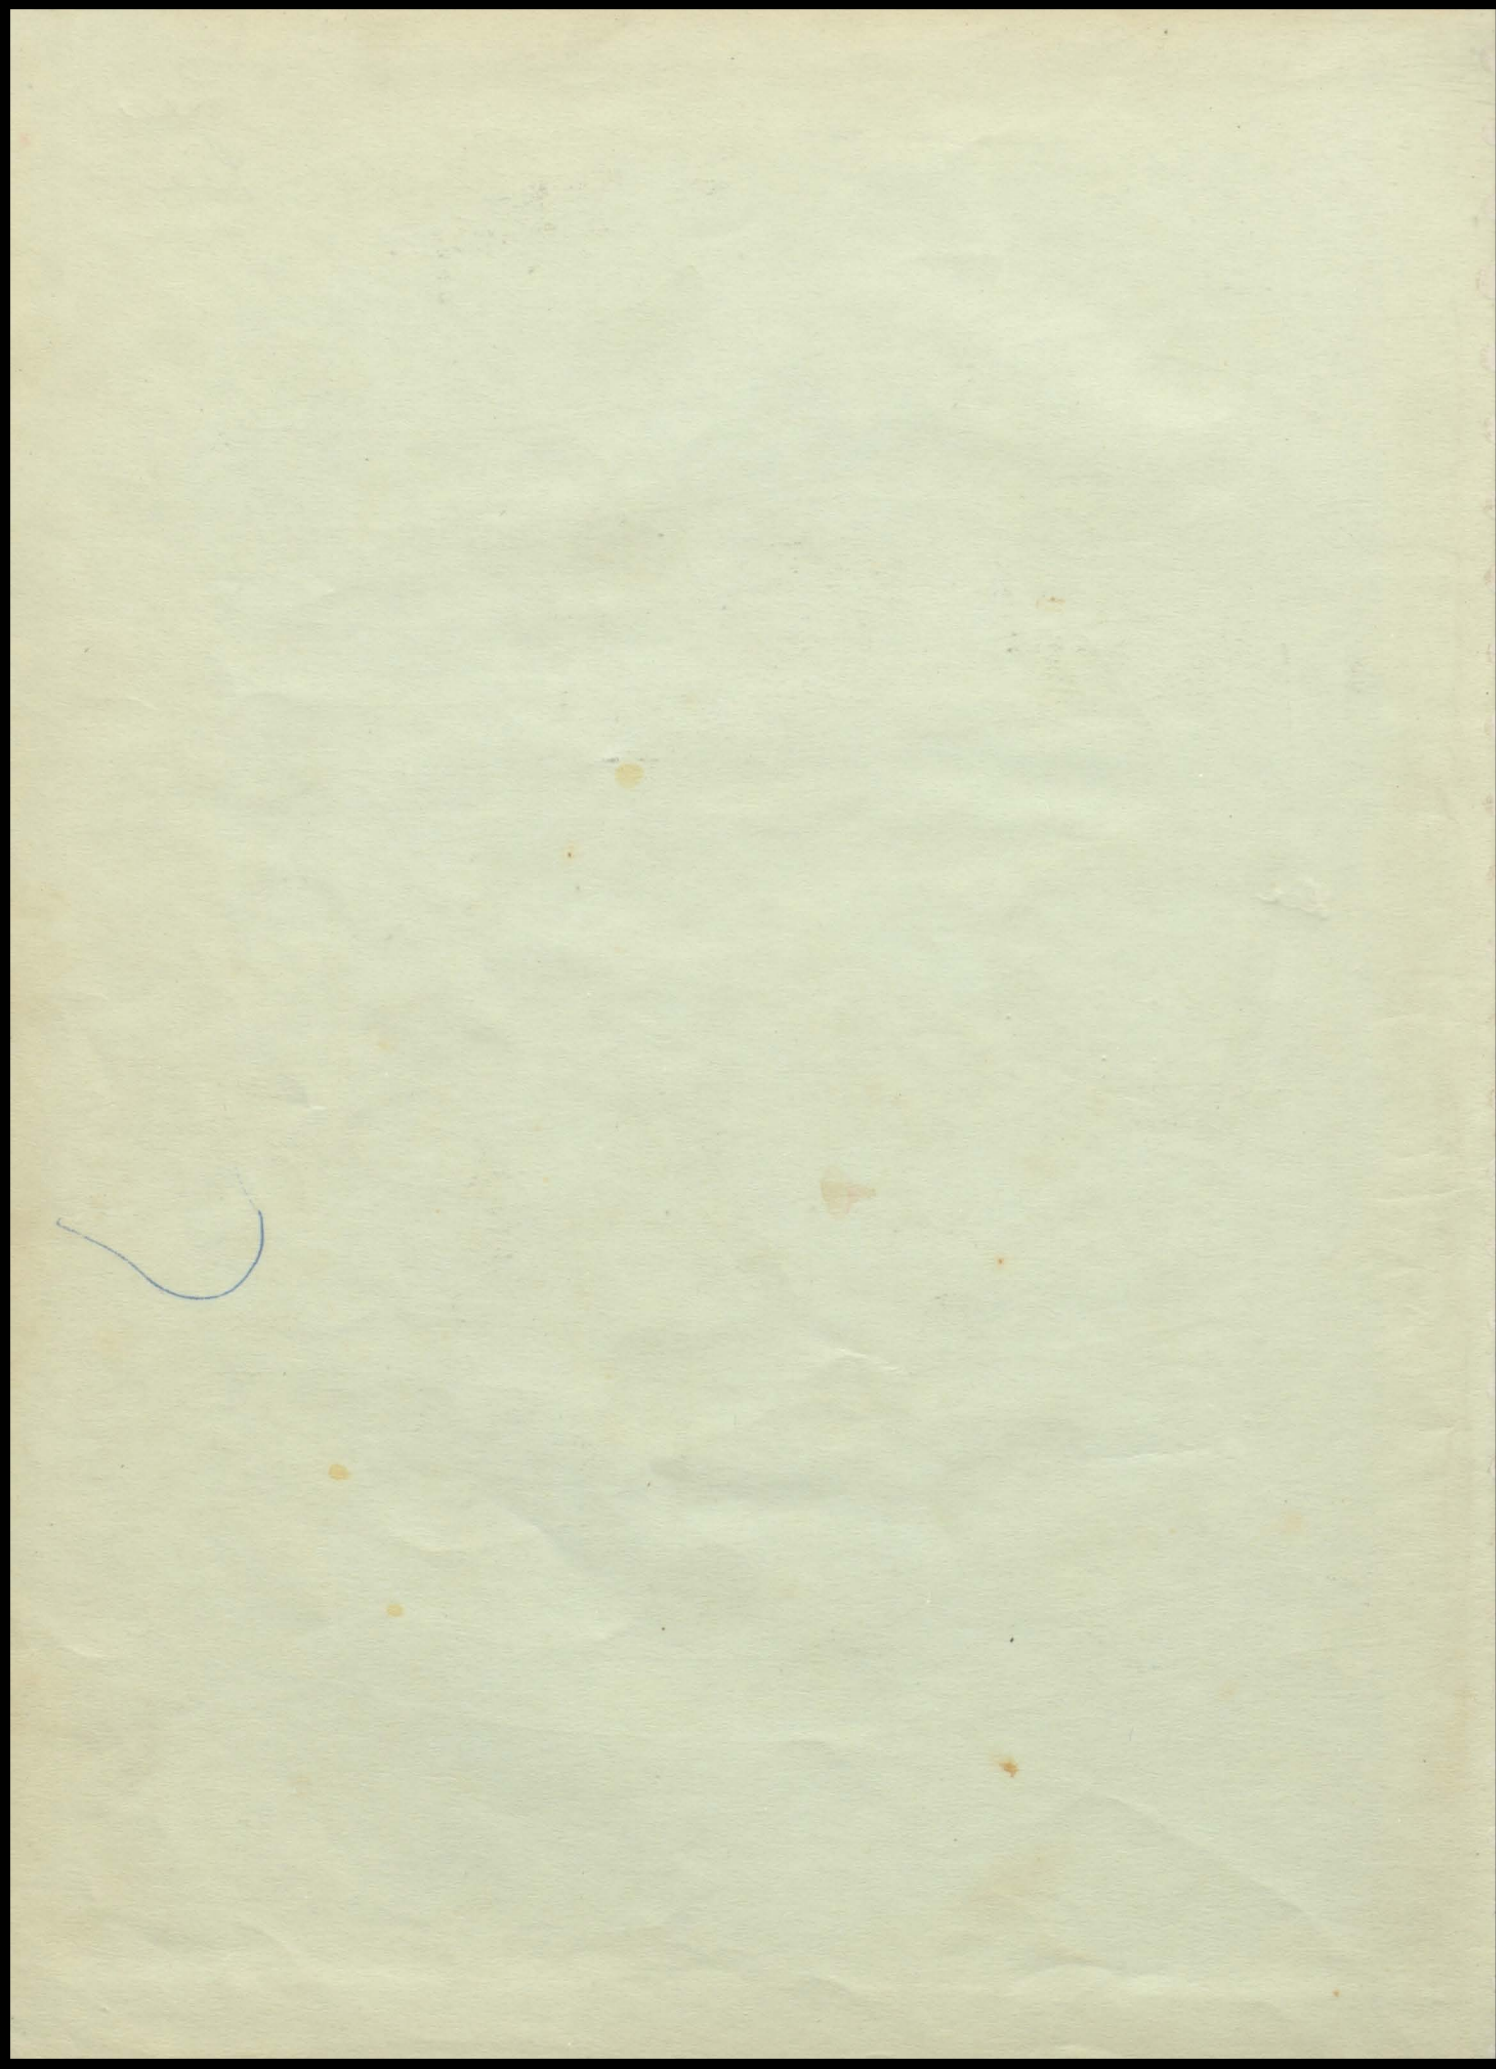

Days

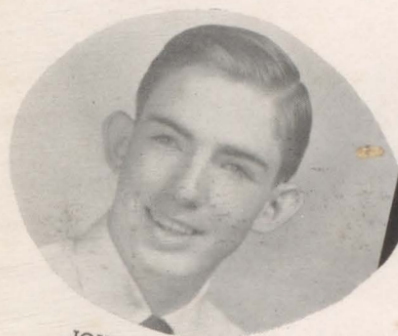

The word "Days" is written in a large, green, cursive script. It is surrounded by hand-drawn musical notation on a five-line staff. Above the word, there are three notes: a quarter note on the top line, a half note on the second line, and a quarter note on the third line. Below the word, there are three notes: a quarter note on the bottom line, a half note on the second line, and a quarter note on the third line. The paper is aged and yellowed.

PUBLISHED BY THE BETA CLUB OF  
BALDWIN COUNTY HIGH SCHOOL  
AT BAY MINETTE, ALABAMA

# Contents

# *Dedication*

## **MR. GEORGE NOONAN**

(known to us all as "Bootsie") is one of the friendliest faculty members at Baldwin County High School. As leader of our band since January, 1947, he has been held in the fondest esteem by the entire student body, and especially by the members of the band. As a tribute to his genuine interest in the band and the friendliness which exists between him and the student body we affectionately dedicate to "Bootsie" Noonan the 1950 Balcoala.

# Administration

# The Faculty

Although personality is distinctly in the background, one must recognize that the progress of a school depends largely upon the personality which shapes its policy.

When Mr. C. V. Daniels became principal of B. C. H. S. in the fall of '45, he was the youngest principal of the county and one of the youngest in the state.

Recognizing the broader concept of the school, he has added many new courses. The most recent additions are the drivers course, the course of diversified occupations, and the choral class which is available to all students without charge.

C. V. DANIELS, Principal

The business department now requires the services of three teachers. In the past five years the enrollment has increased from 150 to 235.

Under the director, Bootsie Noonan, the band, which was organized just three years ago, has grown from fifteen to sixty-three members. It now has equipment valued at \$11,000.

Our librarian, Mrs. Stough, reports that circulation has almost

trebled. Although 540 new books have been bought and many others received as gifts, our supply of books is still not adequate for our needs.

# Activities

# THE 1950

## Editorial

The editorial staff of the 1950 Balcoala made a sincere effort to represent the student body of Baldwin County High School. The staff has attempted to express the individuality of the students. One of its goals was to use better and clearer pictures. Individual pictures were more extensively used, and better snapshots, showing the students activities, were featured.

In harmony with the school activities and events the 1950 Balcoala "says it with MUSIC."

# Balcoala

## Business

Financing the publication of the 1950 Balcoala was a tremendous task handled efficiently by the business staff. This industrious staff made many trips to procure advertisements from business firms. They sponsored activities such as selling programs at football games, selling of Christmas cards, and the May Queen election and dance. Many doubted the ability of the staff to finance this Balcoala, as the cost surmounted that of any previous year, but through hard work this goal was accomplished.

 Sponsors ..... Mrs. Milan and Mrs. Busbee

To cooperate with the undergraduate students of B. C. H. S., the administration and the faculty, to uphold high standards of scholarship, to create, promote and maintain a high sense of honor and integrity in all phases of school activities is the main purpose of the Student Council. We have tried to fulfill this purpose by promoting an honor system in our school.

Although the present Council realized that it would be impossible to be entirely successful this year we established a basis for later years.

Due to the outdatedness of our constitution we revised it for coming councils.

We took some of the work off the office secretary by appointing a committee to help her during their study halls. We also sponsored the assembly programs.

*Tiger Rag*

In spite of complications the first edition of the Tiger Rag was finally published in the last semester. The paper supported one certain theme each time it was edited. The theme of the first edition was truth, and the second and third were sports and literature.

We had the pleasure of using a new automatic mimeograph machine this year instead of the usual old one.

George "Bootsie" Noonan—Director

## Our Own Band . . .

The Band brought special attention and honor to our school when they represented the state of Alabama at the National V. F. W. Convention in Miami, Florida, in August. They were described as having "marched with well drilled precision" and were shown in two cuts in the leading morning newspaper. Returning from Miami, they paraded at Ocala, Florida. It will be a long time before that trip is forgotten.

There are sixty members and eight majorettes directed by their popular leader, George "Bootsie" Noonan. With their snappy drum beat and greatly improved music, they paraded at all ten of our football games.

In addition to these performances the band participated in several "Trade Day" parades, an Armistice Day parade, and Christmas pa-

rades in Bay Minette and Foley. February brought practice, practice, and more practice—all had to be ready for Mardi Gras. Finally the event arrived, and they marched in nine parades. Of course they were called on to play for chapel programs, PTA meetings, and May Day. A highlight of the band's musical achievement was the excellent concert given in the late spring. They attended the County Music Festival at Robertsedale. In June they will march in the State V. F. W. Convention parade.

### Our Band in Miami

No band member will forget the grand time he had at Miami; the wild ride through downtown streets, that wonderful bus driver, the stopover in Ocala, Fla., and all the other memorable events. It was indeed an unusually contented group of students who arrived back in Bay Minette after having marched with "well drilled precision," as Alabama's representative at the V. F. W. Convention at Miami, Fla.

# Mardi Gras

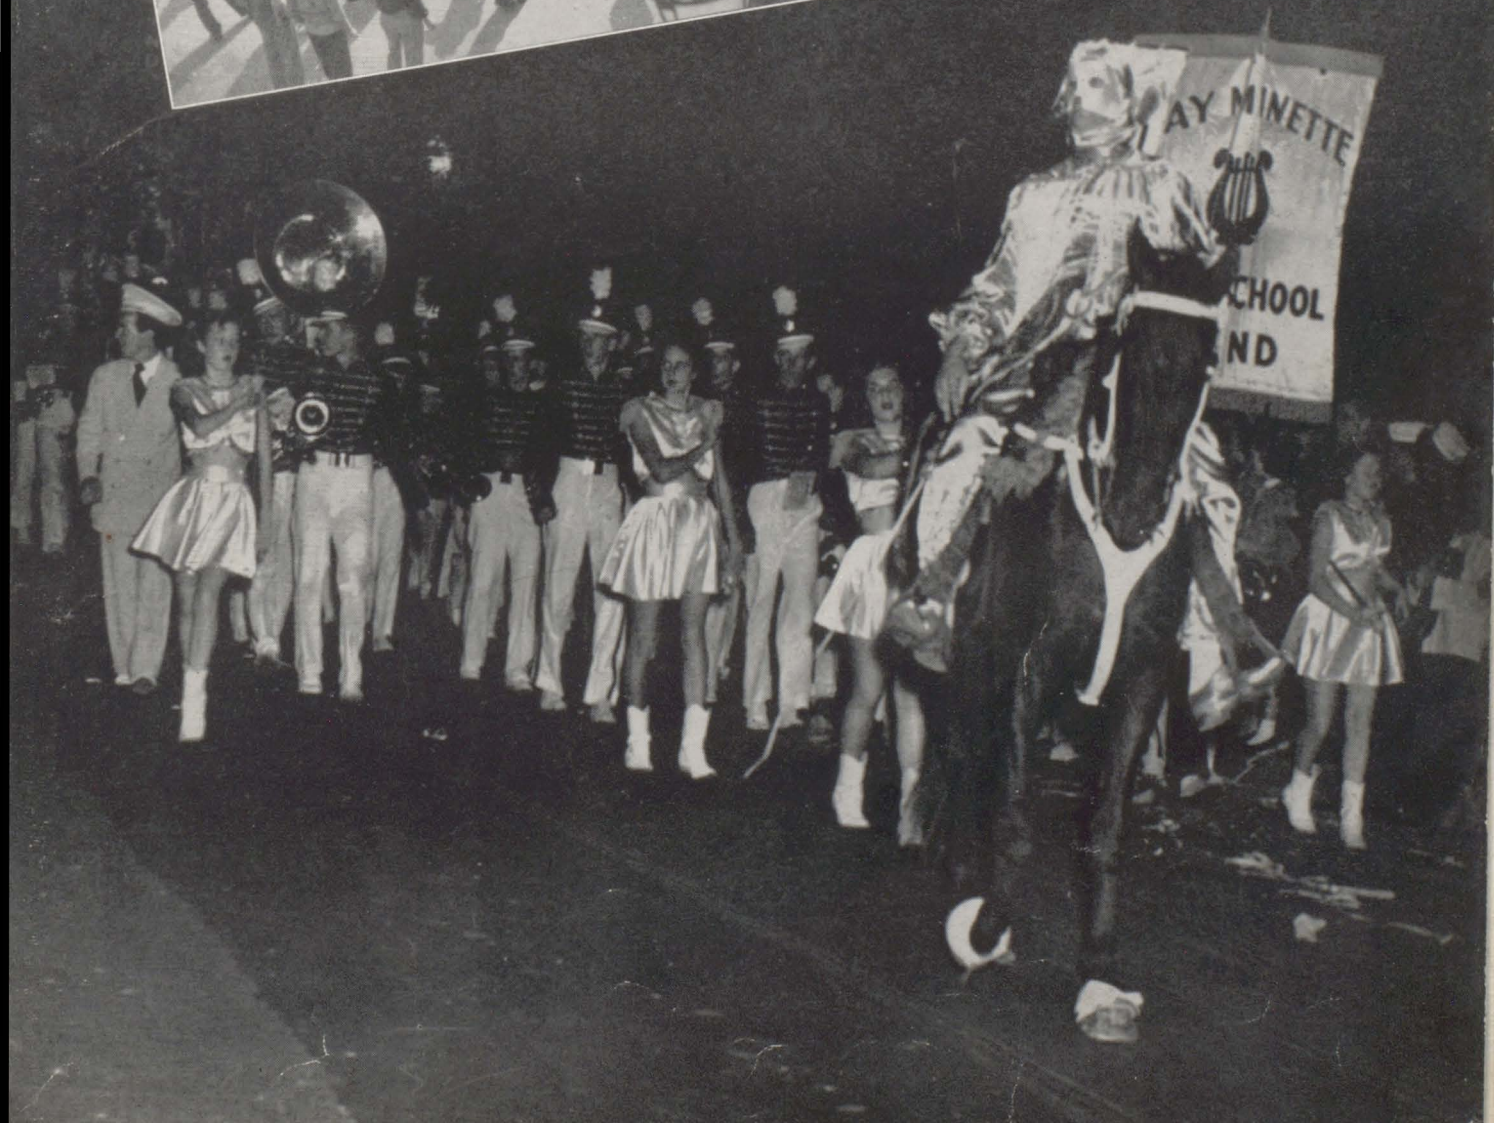

Huge Crowd Cheers B. C. H. S. Band

## The Band at Mardi Gras

With the termination of football season the band began extensive drills to perfect its marching and new music so that all would be in readiness for the first parade on Monday, February 17.

It proved to be a great crowd-pleaser in each of its 10 parades. Such small calamities as Monday nights' forced stay over in Mobile and the time when the bus almost caught on fire, only added more zest to the lively events.

# Senior Glee Club

President.....Brooks McDill  
 Secretary.....Yvonne Quinley  
 Librarian.....Betty Reid  
 Director.....Miss Nell Gardner

"By the Light of the Silvery Moon" was the theme of a successful dance given by the Glee Club in September.

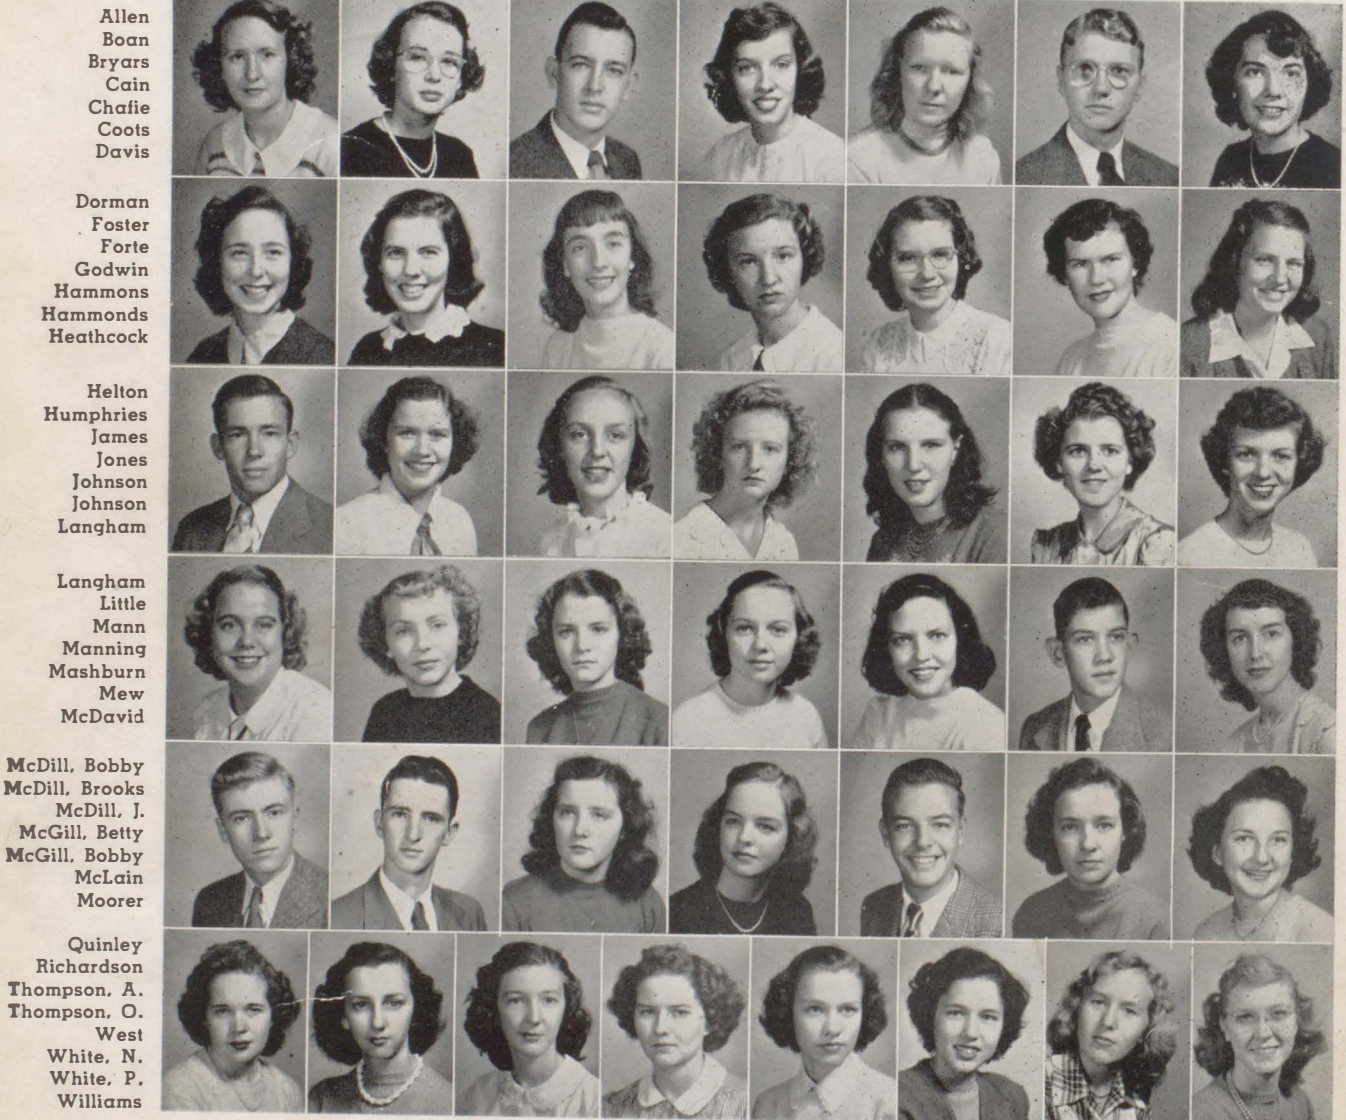

Santa Claus would have been proud to have taken a part in their Christmas Sing.

Mobile was their destination when they got a day out of school to attend the District Music Festival.

To end their successful year they presented "The Messiah" as an Easter Cantata.

It seems as though people are desiring to gain more knowledge of the finer arts. This has been proved by the number of students taking piano and the progress they are making. These young students have worked many hours learning to appreciate the true meaning of music and helping each person with an appreciation of music to understand it more.

President.....Gloria Burch  
 Vice President.....Aubrey Long  
 Secretary.....Lavern Emmons  
 Treasurer.....Gloria Long

The Diversified Occupations Club affords the student social training and an opportunity to develop qualities of leadership, as well as providing social activities. Each high school that offers (D.O.) cooperative training has an active club. In addition to business meetings and social activities, the club makes some significant contribution designed to improve the school building, facilities or campus each year.

The B. C. H. S. local club is affiliated with the State Diversified Occupations Club, and each year the high point of club activities is reached during the state convention. Here club members meet to work and play with other members from all parts of the state, and have the opportunity to be hosts to leaders in the fields of business, industry and education.

# Outstanding

19

## Outstanding Senior Boy

● John W. Wilson, chosen Outstanding Senior boy by the faculty of Baldwin County High School, has been a leader since his elementary school days. He proved himself in the small jobs of leadership and was chosen for one of the biggest—that of State Beta Club President. He knew what he wanted and worked with zest and zeal to attain it.

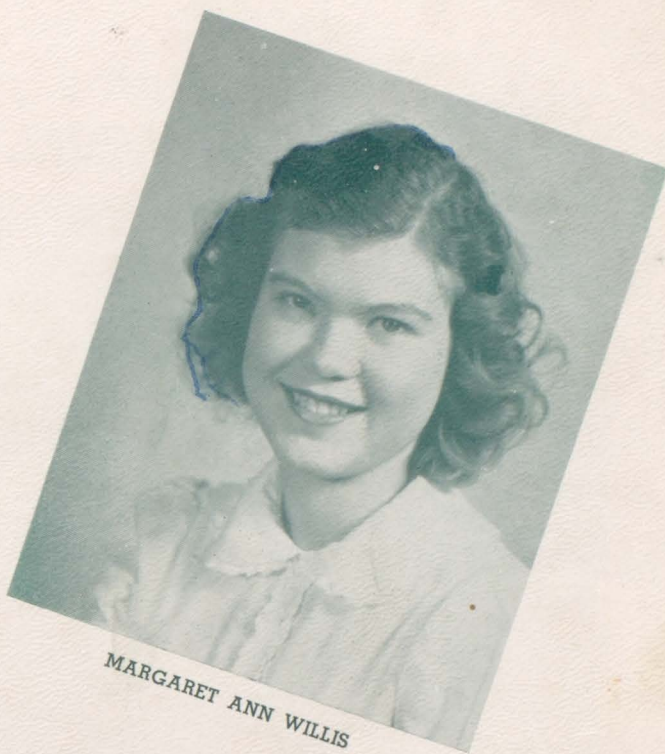

Johnny is conscientious and exacting to the last detail. He believes that there is no point so small that cannot be studied and improved. Johnny not only works himself but he also owns some magic formula for getting others to work too. He will always remain a leader because of his outstanding ability and remarkable ambition. All his classmates hail him the conquering hero, and wish most sincerely that his future will be as bright as his past.

MARGARET ANN WILLIS

### Outstanding Senior Girl

● Ann Willis, Outstanding Senior girl, has been with her class for most of her school years. During those years she has been given many tasks. She completed each one with the satisfaction of having done them as well as they could be done. Whether she was an officer or a member of a club, she gave her whole-hearted efforts in that capacity.

Ann has practiced the Beta Club motto, "We lead by serving others." Truly she has lead in her service to others. She will be remembered as a girl who did her work unselfishly and very seldom received the praise due her. She is indeed an Outstanding Senior, and will remain as such in the hearts of each of her classmates.

## I Wonder

*As I near the end of school's highway,  
And graduation is almost in view;  
I take a backward look to pay  
Respect to carefree days I knew.  
Will I again have so much fun?  
Will I again get so much done?  
I wonder—*

*Only one of life's great battles won!  
I soon will face a greater strife.  
The greatest battle has just begun—  
The beginning of an adult life.  
What will my life then be?  
What I will do—I cannot see.  
I wonder—*

*And how will my friends remember me,  
And all those days so full of pleasures?  
Will I ever again them see  
Except in my memories and treasures?  
Will they remember me well?  
Will I for e'er in their memory dwell?  
I wonder—*

*What does the future for me hold?  
Will it be radiant and kind?  
Will I meet it with visage bold?  
How long will it be before I find  
What my life is really worth;  
What I'm to do here on this earth?  
I wonder—*

*Will my teachers miss me when I leave?  
Will I be locked in their memory chest?  
On parting will my classmates grieve?  
Will they remember me as one of the best?  
Will my light on their memory be cast,  
Or will I be forgotten as time goes fast?  
I wonder—*

*What will graduation mean to me  
As year after year rolls along?  
Will I my friends and teachers see?  
Will I remember the old school song,  
Or will it soon fade from sight,  
Or, like the sun, always be bright?  
I wonder—*

*Will my first job be serious or gay?  
Will I know everything to do?  
If I make mistakes, what will they say?  
Will I ever to my work be true?  
Will I my life to a career give,  
Or will I choose another way to live?  
I wonder—*

# Senior Memories

When the doors of dear ole B. C. H. S. opened August 29th, we were one bunch of proud Seniors. We were really  with our dignity when CVD made that long awaited announcement: "Take a little trip up to the office--your class  are here."

Woe unto us when CVD hired a manager to operate the lunch room. Maybe he thought we'd eat up the profit. But he found out how honest we Seniors really are, when he received \$5 from a past Senior for the profit he had eaten up in his day at B. C. H. S.

The  football game was a memorable occasion 'cause we beat Atmore for the first time in too many years. That was really a Senior memory to be proud of. That wild west wind that blew our sponsor's hat off seemed to have blown enough sand in the Atmore spectator's eyes so that they looked as if they were crying when they left the stadium.

Boy were we happy when the  holidays rolled around for the last time in our high school life. We were hoping that those would be our last semester exams, too.

Back from the holidays, everyone strutted his Christmas gifts. Some strutted one  but Ann Bullington was flashing a diamond and wedding band to match. We single girls felt in the minority with four married girls in our midst.

Somebody loved Mr. Lee a lot 'cause they left him a strange, but outstanding--pet. The odor was pleasing to our senses, so pleasing in fact, that we had to have our classes in another room. Poor little .

One January morning the Seniors were called together to elect a "Good Citizenship Girl," who was sponsored by the United Daughters of the American Revolution. Everyone was proud of Sue Harris, who was unanimously elected.

On February 4, came that "Red Hot" May Queen election. The annual staff had a swell  but no one enjoyed it too much the first part of the night, due to the suspense as to "Who would be QUEEN!" Finally it was our "most friendly" senior, Sabra Stough, who chose our "cutest boy," Gene Bryant, to be her king.

Mrs. West, with the Seniors annual project, the Magazine Contest, pushed us hard in making our money. We were divided into sides, which we called the Red and Blue. The result was that the Reds had to give the Blues a party. Nice going, Blues.

We contributed \$408.00 to be spent on a fence for our new  field.

For the first time in the history of B. C. H. S., the faculty elected the Outstanding Senior Boy and Girl of 1950. We're proud of Johnny and Ann for being chosen for this honor.

We shall always remember—'cause we won't be able to forget—those "Mad Seniors" (Frank and Odell) and their tricky escapades. Remember that day at lunch and the "Bucket Trick?"

Many of us enjoyed the annual  Convention in Birmingham March 2. Of course, we were really proud of John W. Wilson, who was the State President, and of Allen Hayes who was elected Vice-President. Ole B. C. H. S. was really quiet those two days that Betty Reid was gone. And then to add to the calm feeling she was even absent a day the next week. Too much convention, I'll bet!

We remember how envious we all were of the annual staff when they always got out of class to go to Mobile and around.

And we will never forget how shocked we all were when one bright Monday morning we made an amazing discovery, Tommy Duck was at school.

And then, too, there was that Monday morning we went to school and found we actually had a new floor in the hall to walk on.

The  Club Convention will always hold a place in our memories.

Remember Gloria? I don't imagine we'll fail to remember her with her corpses and songs.

What would we have ever done without Tiny and his  to help us to Economics

How about that Junior-Senior Prom? We had long looked forward to this big event but it was far better than our greatest expectations!!!

Last, but not least, came that Sunday when Brother Postma delivered our Baccalaureate Sermon. After a full year of laughter and fun, we all felt like crying. (However, I don't think we did, though, did we?)

But that wasn't anything as compared to the way we felt the following night, May 15, when we all marched down the aisle to receive our diplomas.

Yes, I think we will all agree that this Senior Class of 1950 will live long in all our hearts.

# Juniors

President ..... Charlotte Van Dyke

Vice President ..... Balford Thompson

Secretary and Treasurer ..... J. W. Tolbert

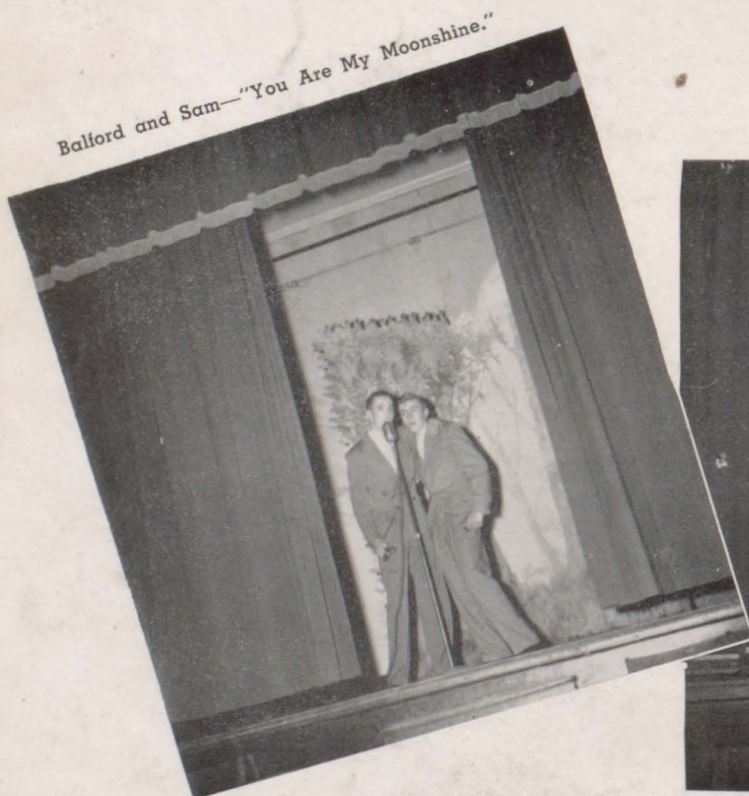

The Junior Class of 1949-50 faced the responsibility of entertaining the largest Senior Class in the history of the school at the Junior-Senior Prom. To successfully do this they began early in the year to earn money. They sold candy, hotdogs, and coffee at the big Armistice and Thanksgiving day games, and received profits from the sale of paper and pencils in the office.

The juniors quite enjoyed keeping the secret of the theme from the seniors until the big night. The clever theme was "Tulip Time," the setting being in a Dutch garden. Decorations

CHARLOTTE VAN DYKE, President

featured a turning windmill and window boxes of tulips. A delicious buffet plate was served. Punch was enjoyed throughout the evening by those dancing. Entertainment was a delightful musical program. Truly, the Prom will be a cherished memory of the graduates.

The Sophomore Hop, which was held before the Christmas holidays, was one of the grandest occasions of the year. The evening began with a Grand March led by our president, Lowell Walker, which put everyone in a festive mood for the dancing, games, and floor show that was to follow. After the floor show a buffet supper was served and each person received a small gift. The dancing continued until 11:00 o'clock when everyone gathered around the piano and sang Christmas carols until time to go home. It was an evening that will be well remembered by the Sophomores who worked diligently raising money to sponsor the hop, by selling hot dogs and coffee at the football games.

# Freshmen

Lowly in name and kind in spirit the freshman class looks back on a year of success and service to their fellow students. They all enjoyed Christmas parties. When a fellow student was seriously ill, they sent books, candy, and fruit to him, with a wish for his speedy recovery.

Not to be outdone by the other classes they had a big party at the Gulf to end their very wonderful year.

# Eighth Grade

There was never a more ambitious group of eighth graders than this one. They succeeded in everything they set out to do. Each section selected a project for the year. One succeeded in building shelves for their room while another won the attendance prize at the P.-T.A. twice. One section devised a scheme to raise money for a party. They made a set of rules and anyone breaking one of these was fined a small amount which went into the class treasury.

# Seventh Grade

The pupils of this class enjoyed a very happy first year in high school. Their home room mothers entertained them with a Christmas party and they had a wonderful time sharing gifts. Those who made Honor Roll three times consecutively were honored more so with a party given by their fellow students.

Each student gazes back proudly on his first year and hopes that he will enjoy the coming ones with a little more familiarity of what's going on.

# Beta Club

President ..... Allen Hayes  
 Vice President ..... Sabra Stough  
 Secretary ..... Ann Willis  
 Treasurer ..... Freddy Postma  
 Sponsor ..... Mrs. Lee Smith

Allen Hayes, Ann Willis and Sabra Stough

THE PURPOSE of the Beta Club is to promote the ideals of honesty, service, and leadership among the high school students of America, to reward meritorious achievement, and to encourage and assist students to continue their education after high school.

The Beta Club has enjoyed a very fruitful and prosperous year. Aside from being one of the largest clubs in the State of Alabama it is proud of its president, John W. Wilson. Johnny, our State President for 1949-50, won a glorious victory after some shrewd campaigning done by our club's leading talkers and personalities. Not to be outdone or left out toward state executives in the future, our Betas ran Allen Hayes for vice-president of '50 and '51, who was elected by a "landslide vote."

The Betas, too, are proud of the most important project, that of sponsoring the high school year book, The Balcoala. Through the Balcoala Staff the Beta Club sponsored the Miss B. C. H. S election and dance. The Beta Club also helped raise funds to send delegates to the convention by sponsoring the May Queen election.

## Beta Activities

### BETAS SELLING CHRISTMAS CARDS

House to house selling of Christmas cards was one of the many projects of the year. This project was very successful, netting a fifty-five dollar profit, which went toward raising the \$2200 for the annual. The enthusiasm of the salesmen was one of the best features of this project.

### MISS BCHS DANCE

In order that certain delegates be sent to the State Convention, the club sponsored the Miss BCHS Dance on January 21. Due to the fact that everyone had a good time, the dance was both very successful and profitable to the club.

### BETA INITIATION

The Beta initiates were called idiots instead of scholars when they dressed up in their worst to become members of the club. They enjoyed being humble servants of the old members and never complained when they were given little tasks to perform.

## The Beta Convention

This year, in order to lower expenses, a bus was chartered which transported the Betas from Baldwin County to the convention. Everyone enjoyed the bus ride and arrived in Birmingham eagerly anticipating the grand programs and good times they had been promised. And they were not disappointed.

First off, there was the get-acquainted party. The Bay Minette Chapter had been honored by being put in charge of it. Then, there were talent shows, a forum, planning meetings, the electing of officers, and finally, the banquet and dance. In between these events, and during registration, there was much making of friends, renewing of old acquaintances, and generally having one

grand and glorious good time. And as if all this couldn't keep everyone busy, there was the campaign to elect Allen Hayes to the vice presidency of the state chapter. They found time, however, and entered into it with such enthusiasm that he was elected by a large majority.

The State President, John W. Wilson, was from the Bay Minette chapter. He presided very capably over three of the meetings.

All in all, it was a wonderful experience. Although tired, the conventioners were an unusually contented group as they disembarked from the bus at Bay Minette on Sunday, four days after they had left

SEOUL, Korea, March 4.—(AP)—Delight in Sino-Soviet relations: Peking route

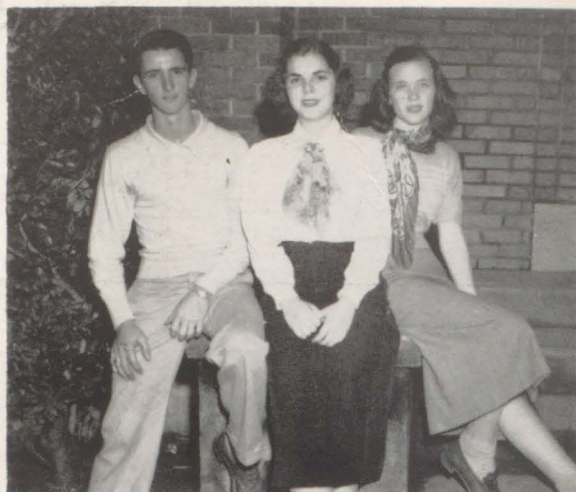

Crisis

Above are pictured John W. Wilson and Allen Hayes, two of the three state officers to be elected from Baldwin County High School in the past five years. In 1945, Glen Hooper was elected to the presidency. In '49 Wilson attained the same office and the following year Hayes was elected to the vice-presidency. Two presidents and one vice-president from the same school—that's a truly remarkable and commendable record.

THE CAMERA CLUB encourages the members to further their interest in photography. During the year contests are held to determine the best pictures that have been produced. These pictures are developed, printed, and enlarged by individual members and the winning picture is placed in the Balcoala. The new enlarger obtained this year has made production more successful than that of last year.

Camera Club Picnic

The Camera Club made the annual trip to Bellingrath Gardens where many snapshots of the lovely scenery were taken. The members are now working on the annual dance. The night club theme that was used successfully last year will be the theme for the dance again this year.

To begin the year with a bang and get in an outing, the Camera Club went on their annual picnic to Stockton Landing, on October 10.

The beautiful day afforded many picturesque scenes for the photographers, and many of the pictures were entered in the Camera Club Contest.

Many of the camera fans took boat rides to capture the scenery. Miss Leonard showed the photographers many interesting ways to take trick pictures, but no one could get her to ride in the boats.

Everyone enjoyed the picnic supper and the get-together which concluded the evening. And with only one accident, Ann Bullington skinning her knee, the club managed to get everyone back to Bay Minette in good condition.

THE AIM of the Science Club is to create interest in the field of science among high school students.

The Science Club has enjoyed a year filled with "pleasure + work = FUN + headaches." They donned their old clothes and went on an inspection tour through the New Port Industries. They have worked hard toward the two projects, hydrogenation and blood typing, which they are entering at A'labama Junior Academy of Science Convention. Johnny Conway won second place on the paper he presented to AJAS last year and Gloria Burch won first place this year.

# Football

Over-scheduled and under-manned was the word for Baldwin's 1949-1950 football team. Every last man on the preceding year's starting line up, with one exception, was gone. What's more they faced the toughest schedule of recent years.

What a task faced Coaches Spear and Williams! From a mass of inexperienced boys they must mold a team—and they did; but not just a team, they made a winning team.

The season opened at Simmons Field. Each spectator came with a question in his mind: from the many diffi-

Coaches "Pinky" Williams and "Stooge" Spear

culties, what sort of team would emerge? And each spectator was given reassurance by the rousing 36-6 victory won by the Tigers.

Off to a flying start, they won all but one of the next five games, then fell into a disheartening losing streak which lasted until the final game. Then, making a magnificent comeback, they beat the highly touted, previously unbeaten Atmore team. This victory doesn't mean so much to an outsider, but in Bay Minette, when speaking of an event they say, "that was the year we beat Atmore" or "that was the year Atmore won."

Down on the ten Tigers plow toward pay dirt.

### Tigers 32; Flomaton 6

BAY MINETTE, ALA., SEPT. 16, 1949

The season began in Simmons Field against Flomaton, with Baldwin's Tigers smashing their opponents 32-6. The Tigers had only one returning first string man. This inexperience showed in the halftime count of 6-6. But in the last half the Tigers came roaring back to out defense and out offense their opponents to the tune of 26-0, making the final score 32-6.

### Tigers 19; Miller 13

BAY MINETTE, ALA., SEPT. 23, 1949

To further their record the Tigers defeated T. R. Miller in the second game of the year. With the score tied up the Tigers broke loose in the last three minutes of the game and fixed the score at 19-13.

### Tigers 13; Monroeville 0

BAY MINETTE, ALA., SEPT. 30, 1949

In the first minutes of the games the Tigers drove 45 yards for a TD. After this, it was slow going until the third quarter when Baldwin's Tigers tallied again to make the final count 13-0.

Co-captains Hall and Trawick meet Flomaton's captains.

Griffin fights for the ball.

## Tigers 19: Robertsdale 7

ROBERTSDALE, ALA., OCT. 14, 1949

Baldwin's Tigers came back to defeat the Bears 19-7. The first half of the game ended in the Bears' favor, 7-6. But the Tigers rallied in the second half to the tune of 13-0, making the 19-7 score another victory.

## Tigers 26: W. S. Neal 7

BREWTON, ALA., OCT. 21, 1949

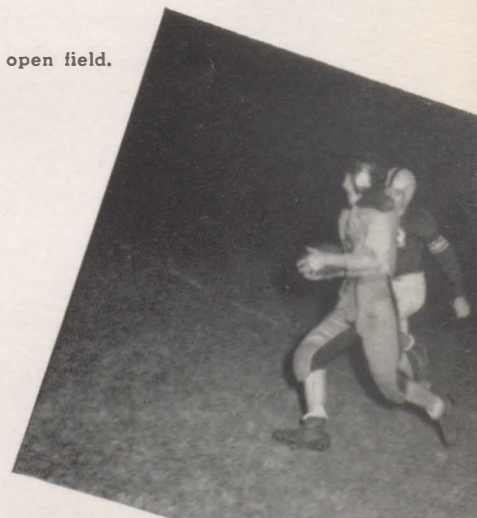

Neal High took advantage of a fumble to score in the opening minutes of the game. In the second quarter the Tigers snapped back to outplay Neal and the first half ended 13-7 in Baldwin's favor. In the second half the Tigers overcame bad breaks to finish the contest with a winning count of 26-7.

## Tigers 7: Fairhope 19

FAIRHOPE, ALA., OCT. 7, 1949

Capitalizing on their great weight advantage, the Fairhope Pirates defeated the Baldwin Tigers in the Tiger's first game away from home. The game was played on slippery Stimpson Field, with the final score in this upset 7-19.

Byrd finds an open field.

Waltz plunges over in Foley game.

Waltz breaks loose for a T.D.

### **Tigers 7; Evergreen 13**

BAY MINETTE, ALA., OCT. 28, 1949

Baldwin's football team led the first half with a count of 7-6, but the Aggies, in the second half, subdued the Tigers, making the final count 13-7.

### **Tigers 6; Frisco City 24**

FRISCO CITY, ALA., NOV. 4, 1949

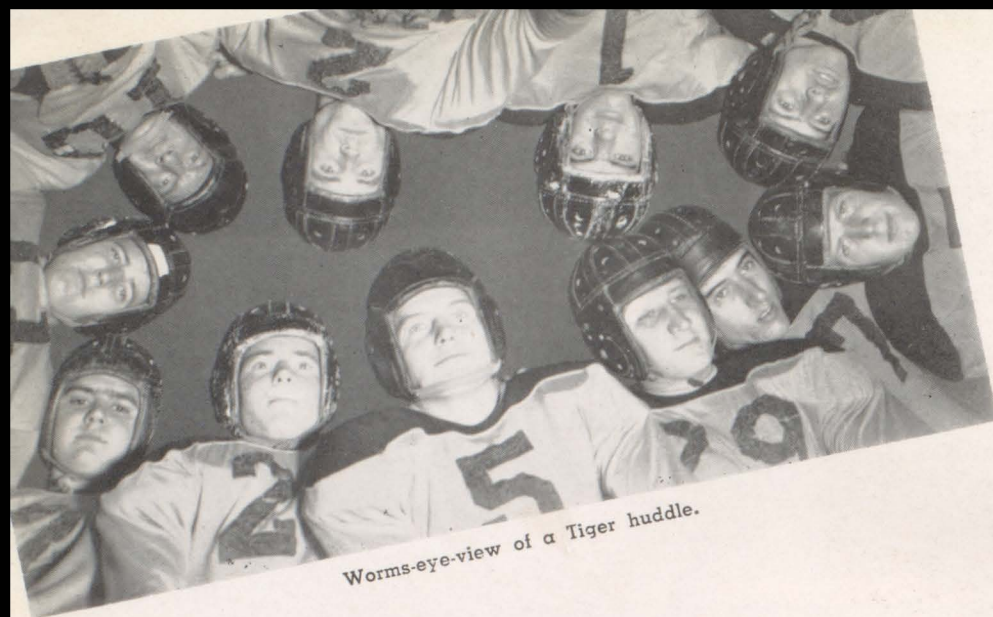

The Tigers took a crushing defeat as Frisco City ran away with the ball game. BCHS scored only six points during the Frisco City Homecoming game.

Bush racks up yards on Foley.

Action a Plenty.

Worms-eye-view of a Tiger huddle.

### Tigers 7; Foley 14

BAY MINETTE, ALA., NOV. 11, 1949

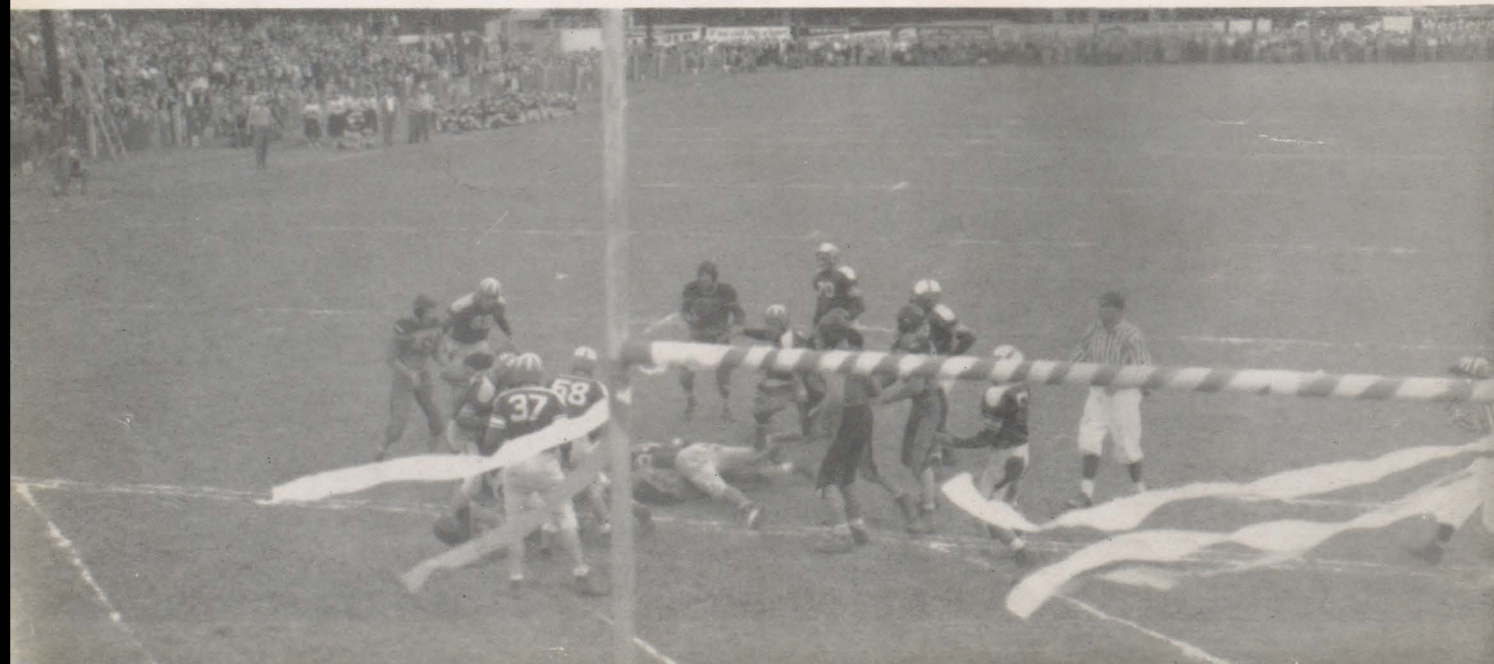

The Tigers and Lions were deadlocked for the first half of the annual Armistice Day contest. In the third quarter Foley pushed over a touchdown, going into the last period with a 7 point lead. Early in the fourth quarter the Tigers came back to tie up the score. In the last minute of the game, however, the Lions went over again, ending the game with a count of 14-7.

### Tigers 7; Atmore 6

BAY MINETTE, ALA., NOV. 24, 1949

Baldwin's Tigers broke the highly touted Atmore Blue Devils' 13 game win streak. The Thanksgiving Day game was played at Simmon's Field. A few seconds before the end of the first half, the Blue Devils completed a pass to give them a halftime lead of 6-0. In spite of the weight advantage of the Atmore team, the Tigers drove over a TD in the last minutes of the game. As the contest ended, the important extra-point split the uprights, making the final score 7-6.

# Midget Football

Baldwin's Midget Tigers opened the season under the supervision of Mr. Wilford Nealey. The Midgets played a five game schedule emerging with a record of four defeats and one victory.

The season commenced inauspiciously on October 13 in Brewton with a disappointing 7-0 loss to T. R. Miller, and a 12-0 loss the following week to Fairhope.

After another loss to Brewton on November 1, the Cubs began to wake up and live with a 14-6 win over Fairhope the following week. In the second quarter of this game, Bradley completed a forward pass to Smith, and Morris went over for the extra point. In the third period the Tigers pushed steadily forward for 60 yards, then Bradley charged over from the two yard line for the TD and Wilson scored the extra point on a run off guard.

The week after, November 12, the Midgets lost the county championship game to Fairhope. The final score in this contest was 12-0.

Game captains Wilson and White meet Brewton captains.

# Basketball

Coach Spear with only two varsity lettermen to begin his third season of basketball at Baldwin County High, conquered six out of sixteen games with his inexperienced team during the 1950 campaign.

The going was tough to the new men but with each game they gained confidence. As proof of

this and to everyone's surprise the "brand new" team in a thrilling game held at Brewton whipped T. R. Miller, one of the best teams in the district. The final score of the game was 41-26.

Although they brought home no trophies from this game they returned home with the knowledge that they could do it and did.

## "B" TEAM

This year the "B" team finished the season with 8 wins of 16 games.

The "B" team was composed chiefly of athletes in the Sr. I and Sr. II grades. With Ward and Chunn, at the forward positions and Bush and Postma working the ball to them from the guard position they managed to work plays to the basket and to Trawick

at center for a great number of points. From this group will come Baldwin's future basketball teams.

During the season the Tigers worked without an abundance of material but week by week they improved to finish with a good team.

\*Tournament

Byrd, with his hundred twenty-three points for the year, was second in rank for high score in the entire varsity basketball team.

The "A" team, with their twelve game schedule, subdued nine of them and over-powered Elberta and Loxley in the County Tournament.

Obtaining six victories out of eleven games, the Junior "B" squad showed great promise for the future.

With the inexperienced Junior High boys, the coach molded a beginning for a new and winning team.

## JUNIOR "B" TEAM

| Opposition  |     | Bay<br>Minette |
|-------------|-----|----------------|
| Robertsdale | 12  | 16             |
| Foley       | 14  | 17             |
| Loxley      | 18  | 15             |

Johnson, Phillips, Wilson, White, Byrns

# Baseball

America's favorite sport has won a real place on Baldwin High's sport program. With funds provided by the Senior class and by the Chamber of Commerce, a new baseball diamond has been constructed of which the school is justly proud.

Trawick — Bryars — Agerton — Walker — Harris  
Deer — Bush — Chunn — Powell — Ward  
Phillips

With the loss of four veteran players, among whom were our best batters, Coaches Spear and Williams were faced with the problem of how to build a winning team composed largely of rookies. How well they succeeded is well known by most of the students and townspeople of Bay Minette.

## 1949 Baseball Scores
