# *On a scale of ....*

**Measuring Up:** Bill Barrow and Brannan Pedersen spend some time completing tedious problems that require some very detailed information. Capturing this year in these pages is one such problem. Just what could be done to offer an accurate account of the people and events of the past school calendar? It wasn't easy, but these pages are a darn good representation. Check it out. See if it measures up to 1996.

# STUDENT Do Tigers have 9 lives, too?

No, just a single busy one. The school year began with the loss of a friend and fellow student's life. This put our own lives in perspective and made every day with each other a little more meaningful.

We proceeded through the next nine months as time, but not life, passed us by. Pep rallies, tests, Homecoming (Could it be Magic?), weekends, dances, clubs, meetings, MARK madness, spring fever, Prom (Precious Memories), fashion decisions (jeans or slacks? - sweater or pull-over? - tennis shoes or bucks?), jobs, homework, and holidays --- that's life...Student Life. We lived it. For the record, those who survived say it was a "Perfect 10." Take a look...judge for yourself...

*Always Coca-Cola...Cordell Campbell takes it easy at break as he displays his preference in softdrinks. Recess, like other gatherings of BCHS students, is a time to relax and say "bottoms-up."*

*Seniors Struttin'...Heather Emmons, Jennifer Fail, Melissa Robertson, Meredith McCullough, and Angel Martin glide and slide at the Homecoming pep rally.*

*Playboy...Will Cabanis, A.K.A Mr. Irresistible, can't seem to avoid the crowd of admirers. Heather Smith, Candy Huffaker, Tonya Blackburn, Caroline Page, and Amanda Morries obviously have no regard for the school policy against public affection. Of course, Will isn't complaining.*

*Rainbow Bright...  
Hunt Loper is  
caught practicing  
BCHS students'  
favorite pastime:  
doing absolutely  
nothing.*

*What is the best thing about pep rallies?*

*"Being able to do what you want and getting out of class."*

**-Daryl Myer, 10**

Do you have spirit?... Daryl Myer says "Yeah!" during the spirit yell. Most of the students look forward to the spirit yell so they can display their class pride.

*Should we have more pep rallies?*

*"Yes, so we can get out of class."*

**- Monica Cook, 12**

Organized chaos... Monica Cook and Jaime Martin strike a pose during one of our few pep rallies. The new schedule enabled us to have only five.

# Friday Frenzy

Hot Afternoons in the Gym Became a

How can you sleep at a time like this?... Brandon Weekley tries to revive Chad Stewart as he dozes off amid the excitement.

Are you proud to be a Tiger?... Melissa Robertson, Meredith McCullough, and Chad Carlisle all say "YEAH!"

*Are pep rallies that boring?...Hunt Loper and Brad Taylor seem to think so. But, at least they are getting out of class.*

*What could be done to improve Pep Rallies?*

*"Get an air-conditioner in the gym!"*

**- Hunt Loper, 12**

*Thanks Tiger!...Jessica Salter presents Michael Thompson his senior towel at the Homecoming pep rally. It is the most exciting one all year.*

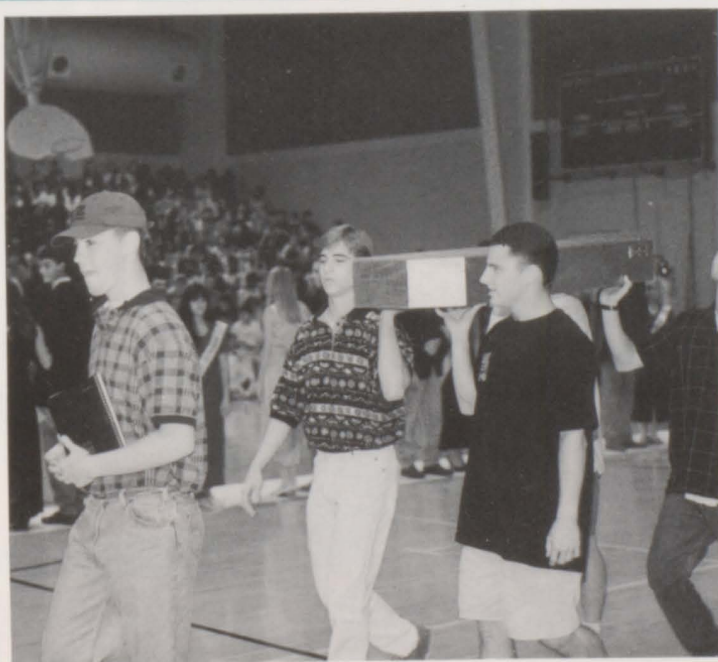

*What do the pep rallies do for the football team?*

**Wacky Week**

The problem of just what to do to make this particular pre-game week different is solved by the students themselves...they just let their hidden egos come out in all shapes and sizes.

Too Cute... Misti Dogget shows off her tie and socks on "Crazy Tie and Sock" day. The pride of Homecoming Week was most definitely expressed on this day.

Yummy... Jennifer Fails smiles while eating in the cafeteria on "80's" day. Everyone enjoyed 80's day - except the young techers whose style was being mocked.

Eighties Ladies... Heather Emmons, Cindy VanArsdale, and Jessica Salter take some time out to pose for a picture. "80's" day was one of the most popular dress-up days of Homecoming Week.

***Hide and Seek...** Austine Jones tries to blend in with the surroundings. Homecoming week allowed students to dress in different ways, one of which included Camouflage Day.*

***Ready for the Season...** Ray Allen and Ernest Roberts love the fall because of Homecoming Week and the football season. Here they show their love for B.C.H.S. and the woods.*

**Tiger Rags**

**All of us had our own diverse styles. That's what made everyone unique!**

***"Class"-ified...** Amy Hayes, Andre Tate, Angel Martin, Demetrius Williams, Ashley Howell, and Greg Butler exhibit the true meaning of class through their style. Slacks, plaids, polos, skirts, and sweaters are among the classic decors they represent.*

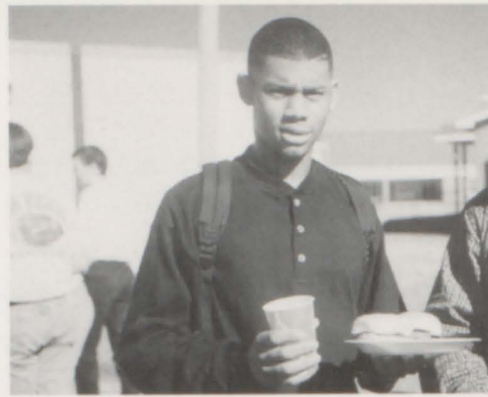

*Why do you  
look forward  
to break?*

# ACADEMICS

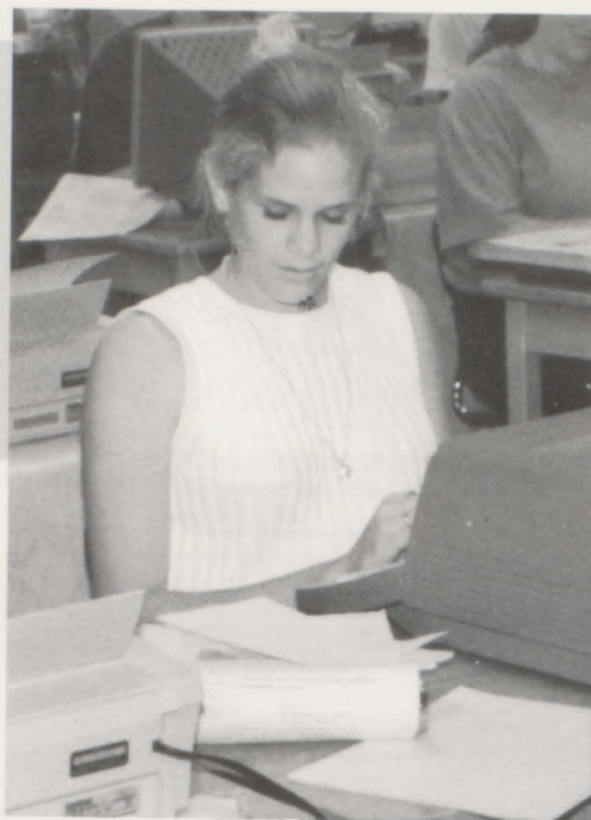

4 x 4

## *Is less really more?*

Opinions vary widely. Regardless of student, faculty or administration wishes ... the ruling came from a higher authority (the Baldwin County Board of Education) : out with the old system of 6 (one hour) classes per semester and in with the new system consisting of four (1 1/2 hour) classes per semester.

The new setup definitely provided a new twist to the academic scene at B.C.H.S. A host of new classes came with the new system, giving the students more variety than the usual readin', 'ritin' and 'rithmetic.

Despite all of the changes in the rules, the name of the Academics game remains the same: Makin' the grade (just ask the governor).

*Don't look at the keys ...*  
Freshman Nicole Bryars concentrates on the correct typing procedure. Mrs. Kern can get nasty if you don't.

*This isn't logical ...*  
Justin Paul and Brad Baggett breeze through Mrs. Hudson's logic problems. Analytical thinking always comes in handy. Right, J.P.?

# ORGANIZATIONS

Is 8:00  
to 3:00  
Enough?

Maybe this is enough time for some students, but not everyone. Most students arrive on campus as late as possible and leave as soon as the 3 o'clock bell rings. There are those, however, who spend countless extra hours on campus planning the fundraisers, service projects and socials that make campus life more than just books and breaks. What would #1 Tiger Drive be like without Homecoming festivities, after-game dances, powder-puff football, male-cheerleading, carnation sales, candygrams, hat day, F.F.A. fruit sales, pizza-eating contests, yearbooks, and tugs-of-war? BORING ... but luckily ... it's not! Keep reading to see the organizations and their members who add a new dimension to Tiger Life.

*Scholarship, Service, Leadership and Character ... Clint Lowrey signs in as Danielle Watson and Joline Hicks look on at N.H.S. inductions. Clint better beware of the "Demerit Demon."*

### **What makes M.A.R.K. unique?**

"MARK is unique in that it is the only time students can participate in a fun activity without being required to have a certain grade point average in order to take part. Everyone receives a chance to have fun ... not just the students with a "C" or better average. If MARK has accomplished anything, I would have to say it helped bring some students out of hiding and made them feel as though they made a mark here at Baldwin County High School ... even if it was only once or twice during the fourteen events that were scheduled throughout the year."

**-Mrs. Sanchez  
(MARK sponsor)**

### **How hard was it for you to schedule MARK events around the new schedule?**

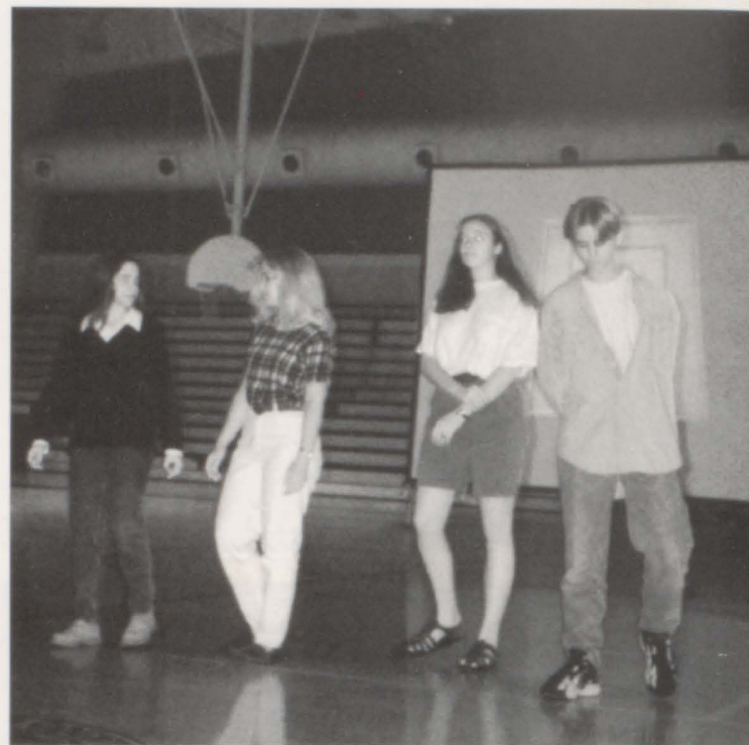

"It was difficult. We had to exclude some of the all-time favorites because we could only hold two events during class time. This cut out a lot of participation and made this year difficult for MARK members."

**-Christina Clemmons  
(MARK Chairperson)**

## *Are they really fields of dreams?*

Yes, they are. There were many victories won, many friends made, many lessons learned and many dreams made realities on all the playing fields of the 1995-96 Tiger athletes.

Success began on the gridiron where eight victories and a playoff spot were captured. An area championship was won on the volleyball court as we defeated the Daphne Trojans for the first time ever. The basketball court saw its first season without a hall-of-fame coach and the spring saw fast-pitch softball get underway as the baseball team marched its way all the way to the state semi-finals.

In the midst of it all were a host of all-county, all-area and all-state athletes. Time was even found for building self-confidence, having a little fun, showing team spirit and celebrating a few victories. It all happened this year in *Sports ...*

### Varsity Basketball

Even though this was considered to be the first losing season experienced by our school in many years, it was not a season that did not have its victories. The wins over such schools as Fairhope, Foley, Theodore, and Daphne were just as exciting as if we had won every game we played. There were the heart breakers such as the Atmore and Satsuma games which made us think the black cloud would never clear. Through it all, the players, coaches and fans never gave in. Now that is what winners are made of!

P

Are we more  
than just a  
#

(number)?

E

Yes, everyone is a  
unique individual, but  
it is up to each of us to  
make our special  
characteristics known.

O

Some differences  
are easy to point out.  
It is simple to label a  
person as skinny,  
heavy, blonde,  
brunette, tall, or  
“vertically challenged.”

P

L

However, it takes  
special care to learn a  
person's name and  
even more persistence  
to discover their true  
identity.

E

Through every second of  
this intricate dance we live  
and learn. We slowly come  
to find that we are **definitely**  
more than numbers ... we are  
something much more  
beautiful and much more  
complicated ... we are  
**PEOPLE.**

Amy

Mr. and Miss B.C.H.S. are the seniors who best represent the Baldwin County High School we are so proud to be a part of. The 1996 recipients exhibit these qualities perfectly.

Robert Dewayne Taylor is an accomplished athlete and an outstanding student. He lettered in football, basketball and track. His performance on the football field earned him a four-year scholarship to the University of Louisville, where he will continue his education in hopes of becoming an engineer.

Dewayne also served as a Delta Beau for the Bay Minette Area Chamber of Commerce and was a member of the National Honor Society and the chess team.

Amy Elizabeth Hayes is a model student and the epitome of school spirit. She was a three-year Varsity cheerleader and served as the 1995-96 captain of the squad.

When not leading cheers, Amy's time was divided between serving as a Key Club favorite, National Honor Society treasurer, and French Club vice-president. Amy plans to attend Birmingham Southern College, where she will begin studying to become a pediatrician.

Dear Bethany:

Graduation...Impossible!! You can't have grown from the baby in my arms to the beautiful young lady you are now in such a short time.

Remember what I told you from the time you were old enough to comprehend - No matter where, no matter what, no matter why - your dad will be there for you. You have made me very proud in the way you have conducted yourself and grown to be a credit to your mom and me.

Take the determination and stubbornness that you got from me and keep the same values that you have today. Don't compromise your beliefs on what is right and what is wrong. There really is no gray.

Take the caring, love, understanding and listening qualities that your mom so ably gave from her heart and keep that for your children and family as well as their children and family.

Love,  
Dad

# Catfish Cuisine

(That's catfish, slaw, Skilletbread & greens.)

Come taste what we mean.

True, you may never have heard of catfish, cornbread and country fixin's called "cuisine" before.

But that's because seldom is a sho-nuff catfish dinner prepared with the kind of care and served with the kind of flair you'll find at Cock Of The Walk.

Put simply, there's no place like our place. We start with our world-class catfish fillet, prepared our secret way, and create a heap- ing helping of the

best eatin' anywhere, including Skilletbread, River fries,<sup>TM</sup> hushpuppies, slaw—not to mention our special fried dill pickles, and other delicious specialties.

If you're looking for genuine Catfish Cuisine—and the best catfish fillet anywhere—just look for the hat and turkey feather, sign of Cock Of The Walk.

Volume 74 of the *Balcoala* was published by the yearbook staff and printed in Montgomery, Alabama by Herff Jones, Co. 400 copies were printed in 100 pound bordeaux paper. The cover is Sea Frost Silver. The hologram tiger is printed in a Spectra foil. Special thanks to Mr. Randy Claybrook, our Herff Jones representative.

*Bill Barrow*

**Editor's Remarks ...** Nineteen hundred and ninety-six was a year of change at Baldwin County High School. The massive schedule conversion to the semester system affected everyone on campus, even the yearbook staff and our production of this piece of Tiger history.

With an inexperienced staff, most of whom served only during the second semester, we have labored long hours and overcome many obstacles in publishing this book. I sincerely hope you are thoroughly entertained as you browse through this account of "Tiger life".

To my classmates: It is my hope that this edition of the *Balcoala* triggers fond memories of our alma mater for years to come

Randy, thanks for being there to answer

all of our questions. You always made sure we dotted every "i" and crossed every "t" -- and the preceding pages prove it.

Mrs. Hudson, words cannot express my respect and appreciation for you as a person, a teacher, an advisor, and a friend. I will forever be grateful to God for allowing you to be part of my education and my life.

Because of you the staff learned and grew together. You even made the hard times worthwhile. Plus, now we can sit back, relax, look at the finished product and say: "We did it!"

Thanks for all the fun. Your laugh, your jokes, your ranting, and even the "Pat-chats" will be genuinely missed in Room 504.

I will always cherish the memories made in my years at 1 Tiger Drive. Yearbook staff will always come to mind when I get a

case of nostalgia.

On a scale of one to ten ... it has truly been a '96. I look back and recall what seems like 96 deadlines and 96 headaches -- but there were certainly more than 96 memories. I hope it measures up to a '96 on your scale. Come back for '97.

Yours truly,

*Bill Barrow*
