ReINVENT

Throughout our four years of high school, we have all faced changes in our academic and social lives. The 2007-2008 school year has been no exception, in fact, it could be termed an immaculate *Re*presentation. With a new principal and plenty of new teachers and coaches, it is no surprise that this year's theme is the "*Re*". This year was a time for all to start over, *Re*establish the old traditions and create new lasting ones. This our time to *Re*invent what we feel that BCHS should be and remain....

re-

pref.

1. *Again; anew*

2. *Backward; back*

re·in·vent (re'in-vent') v.

1. *To make over completely*

2. *To bring back into existence or use: reinvented the concept of neighborliness.*

"We do not know the true value of our moments until they have undergone the test of our memories."
-Georges Duhamel

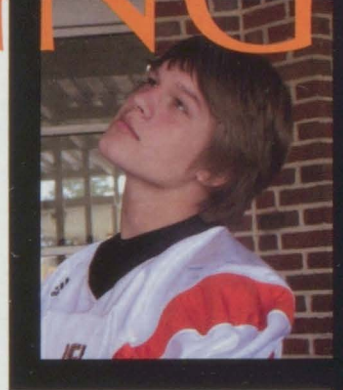

re·mem·ber (ri-mem'br) v.
1. To recall to the mind; think of again.
2. To retain in the memory

REMEMBERING

OUR STUDENT LIFE

We don't go on living in our past, we live in the present, and even sometimes in the future but that doesn't mean we can't Remember from time to time. One day we will look back and Remember when gas was \$3.00 a gallon, iPods- well they will be iWhats, and our children will consider rap music retro. This is our STUDENT LIFE and it will be something we will always Remember.

BCHS!

The BCHS student body will always Remember this year as the year Tiger Spirit was Renewed. We captured a deep Respect for our teams, our school, and ourselves. We conveyed the wholesome character of a true Tiger as the old traditions were Reestablished throughout Baldwin County High School. We Restored the Alma Mater and brought a spirit that had not been seen on the BCHS campus in a long time. We cheered and we roared through the continuous pep rallies and the games. We gave our Tigers the support they deserved and the spirit they needed. This year we brought the Tiger Spirit for all that we were worth. 2007-2008 will most definitely be Remembered as a year of endless spirit.

2008 SENIOR
WHO'S WHO

OTHER THAN *Academics*

There is a common misconception when it comes to the grueling life of a high school student. Many believe that the days are filled with nothing but lectures, stuffy teachers, and long hours of sitting in a classroom taking notes. High school is full of memories of friends and fun along with all the wonderful knowledge that our brilliant teachers provide us with. This page is dedicated to those not so academics moments throughout the year.

Remarkable PEOPLE

From the students to teachers, freshmen to seniors, the whole of the school comes from the people. People who live the everyday facing real struggles, accomplishing goals, and dealing with the feelings that come along with it all. It is through these experiences that we learn and grow to count on one another, and to accept our differences. It is because of this that the PEOPLE of BCHS are truly Remarkable.

The many years of wishing to be in high school have now arrived and the *reality* of it all is the anticipation has now turned into a bundle of mixed emotions. Excitement feels a lot like fear. The decisions that we make now determine our future- choosing classes, beginning to look at colleges, term papers, choosing clubs, dances, football games, peer pressure, learning to drive, getting a job, dating... The Reality... this is a big step.

Sophomore year has arrived, and after a year of stress, we can now *Relax*. We have now figured out how it all works- the lunch waves, electives, dances, exams and the term papers. We have the scoop on the teachers and know which ones we need to watch out for. This is our year to enjoy high school before the responsibilities of junior year kick in and the stress of senior year.

RELIEF

Seniors

Ah *Relief*...the relief of not waking up at 6 in the morning, the relief of not hearing a bell go off to begin school, the relief of not having to experience the "healthy" menu of cafeteria food, the relief of not wearing a uniform everyday, the relief of not having a hall pass every time you walk out of the room, the relief of being able to have your cell phone without it being taken, and most importantly, the *Relief* of waiting for it all to finally END.

re-lief (ri-lef') n.

Restoration comes with plenty of hard work and determination. No one knows this more than the athletes of BCHS. With plenty of miles put on their soles and endless days and nights of practice behind them, they were able to Restore the Roar to BCHS.

Reflecting on the season, the team was led by T.C. McWilliams, Luther Sanders, Don McReynolds, Terrance Coleman, and bookkeeper Felandis Sanders. They have all been the main reason the Varsity program has its two year run of excellence. These young men have left with two twenty win seasons. This shows dedication to continuing the winning ways at Baldwin County basketball, since its program takeover in 1998. Hopefully the young men that follow them will push to another level. Hopefully they will not only try to get to the Final Four in Birmingham, but to win the first championship in the boys basketball program at Baldwin County High School.

I really enjoyed working with the team this year. They have helped me out more than what I can say. If it was not for the basketball team I would not no what I would do for fun. The best thing I like about basketball is that we have challenges and I like challenges. Coach Wills is a great coach and he has taught the team a lot since the beginning of the year. I hope the team has a great season next year.

5. The staff working on the yearbook.

The yearbook holds a great responsibility for those who design it. Each member has to work outside of school in order to gather pictures and information that the yearbook requires. They must learn how to meet deadlines and how to use graphic design software. This book Represents the memories of the 2007-2008 school year.

Yearbook Staff: Christina Steward, Cortney Morris, Lauren Sanders, Josh Eskridge, Kendra Larkin, Bailey Chastang, Mollie Wallace, Cassie Wallace, Daniel Hiers, Kara Byrd, Harrison Davis, and Aric Patrow.

The yearbook and the staff would not have been possible without the guidance and teaching of Mrs. Meg Clark. The abundance of hours that she dedicated to this book are definitely appreciated.

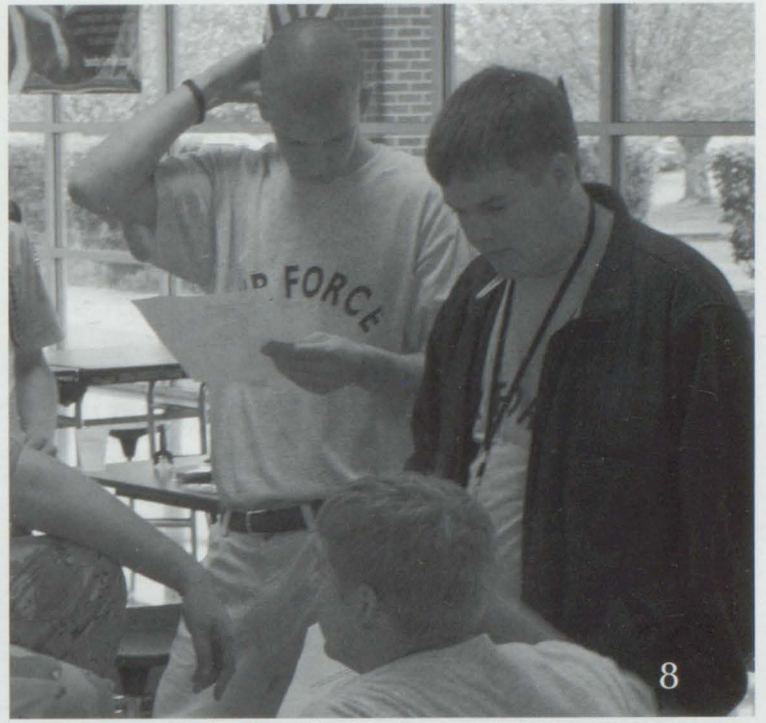

Thank You So Much Mrs. Clark!

BALDWIN COUNTY HIGH SCHOOL

THE CLASS OF 2008

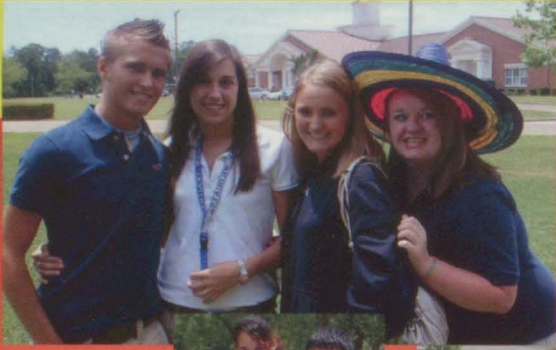

Baldwin County High School

This year has been a year of reestablishing old traditions and develop new ones in attempt to restore our school pride. There are areas in which we grew and areas in which we still need to work on. One tradition that was reestablished successfully this year was the singing of our Alma Mater:

*On the Southern Plains of Dixie
Neath the sun-kissed sky
Proudly stand our Alma Mater
As the years go by.
We work today for our tomorrow
honor and prevail
Hail to the our Alma Mater,
Baldwin High we Hail.
Cherished be our sons forever,
Memories sweet shall throng,
Round our Hearts, dear Alma Mater
As we sing this song.
Through the years we learned to love thee,
Ever we'll be true;
True as stars that shine above thee,
Now we sing of you.*

I can do all things through Christ which strengtheneth me ~ Phl 4:13

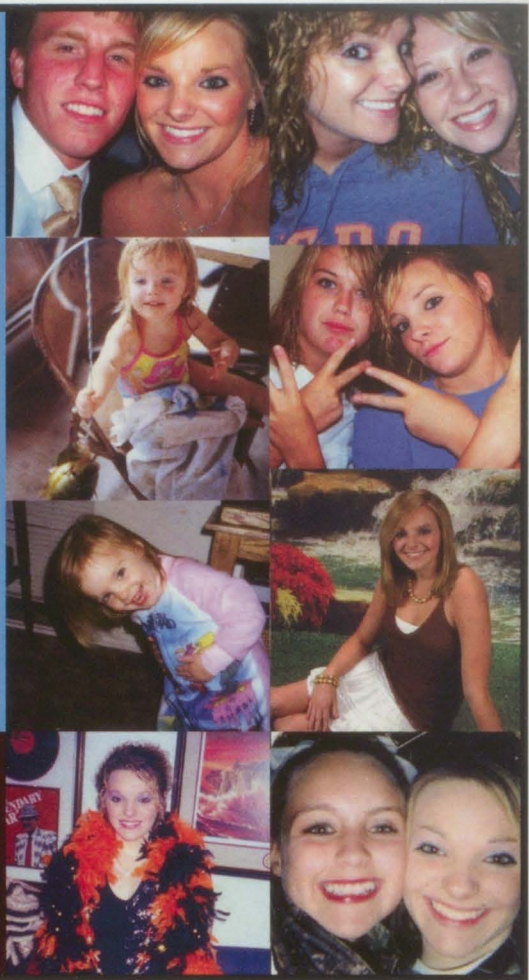

Shelly Lynn Boutwell is her name
And over the years she has changed.
Growing up a little more everyday
Saying words she use to couldn't say.
Learning how to talk
Then learning how to walk.
She was a Beauty Pageant Queen
And a cow once for Halloween.
She loved wearing her Daddy's boots around
Even if she tripped and fell down.
Doing all the things little girls do
And going to work with her daddy too.
Working with her Daddy never lasted long
Because she was always ready to go home.
Staying home with her Mama helping cook and clean
Her favorite ride was on top of the washing machine.
In a clothes basket she loved to play
But she finally out grew it one day.
Its hard to believe the time is here
Shelly graduates this year.
The years have come and gone
Looking back Shelly has really grown

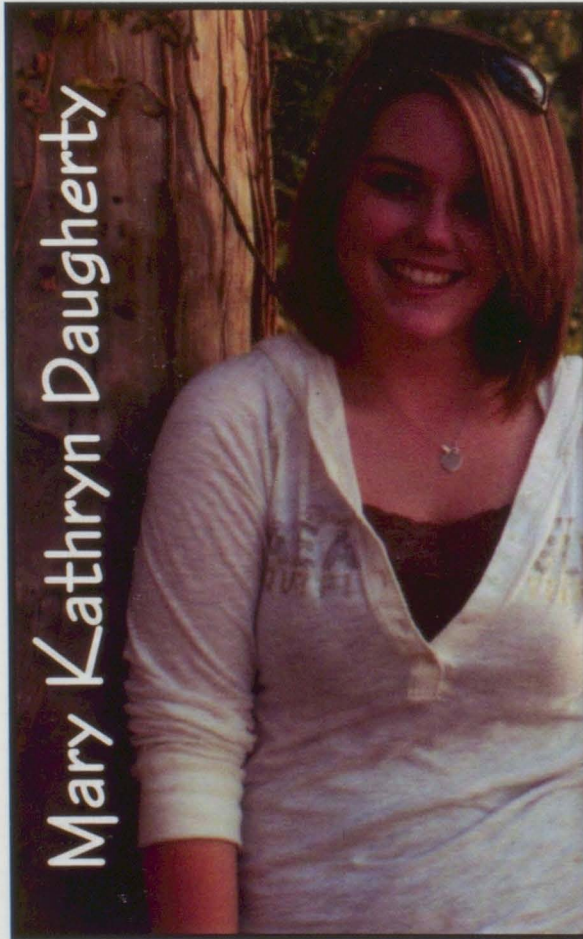

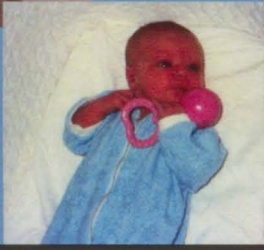

*I hope you never lose your sense of wonder
 You get your fill to eat
 But always keep that hunger
 May you never take one single breath for granted
 God forbid love ever leave you empty handed
 I hope you still feel small
 When you stand by the ocean
 Whenever one door closes, I hope one more opens
 Promise me you'll give fate a fighting chance
 And when you get the choice to sit it out or dance
 I hope you dance
 I hope you never fear those mountains in the distance
 Never settle for the path of least resistance
 Living might mean taking chances
 But they're worth taking
 Lovin' might be a mistake
 But it's worth making
 Don't let some hell bent heart
 Leave you bitter
 When you come close to selling out
 Reconsider, Give the heavens above
 More than just a passing glance
 And when you get the choice to sit it out or dance
 I hope you dance
 Time is a wheel in constant motion always
 Rolling us along
 Tell me who
 Wants to look back on their years and wonder
 Where those years have gone*

Baby Girl,

We are so proud of you. It has been a great joy watching you grow from a small bundle of joy into a beautiful young woman. With your zeal for life and your great determination you have accomplished so much and you are well prepared for your next steps in life. We are looking forward to watching you make those steps.

Here is a verse to carry with you
"Philippians 4:6 Do not be anxious about anything, but in everything, by prayer and petition, with Thanksgiving, present your request to God."

God Bless You, We love ya!
Dad, Mom, Ashley, Renee,
and Levi (Boo Boo)

My Dearest Josh...

It seems as though it were only a few moments ago that you reached out to grasp my little finger with your tiny hands.... That grasp, was like no other hold that I have ever felt!

The grasp you had on my finger, has grown into a steadfast hold upon my heart and soul..... as I have watched you grow into an intelligent, caring, thoughtful and honorable young man!

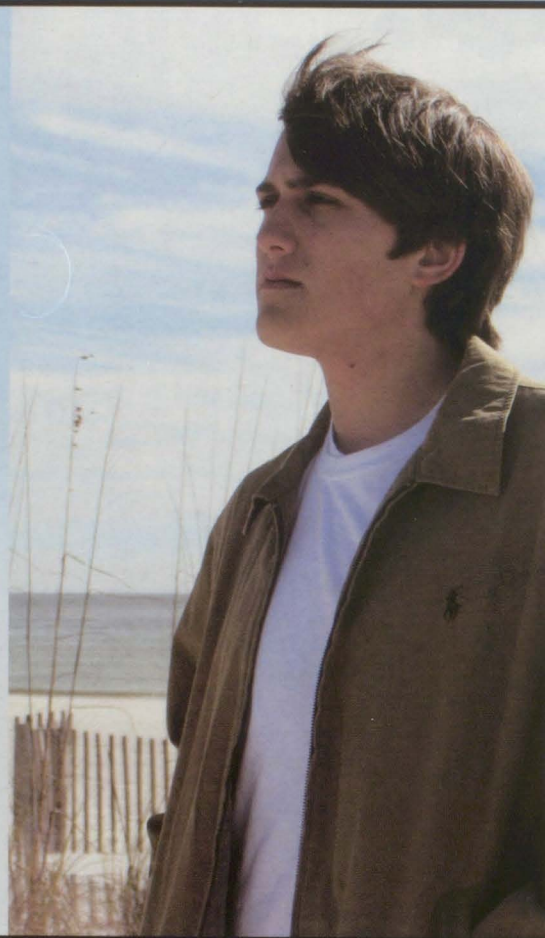

As you leave behind the beginnings of your educational career and embark upon studies that will support your desire to give back to this world, know that I support you, love you and look up to you with eyes full of joy and a heart that is humbled by the mere fact that I am able to call such a wonderful person...son!

Love,
Mom

Josh,

You are and have always been my heart. I love you and know that tomorrow brings with it an opportunity for you to make your mark upon the World as you have my life.

I love you,
Grandma

JOSH BSKRIDGE

Lauren, I can't believe that the small bundle I held in my arms those 18 plus years ago has grown and developed into such a beautiful young woman. It has been an honor and a privilege to be a very small part of your life. As you go through life never forget to believe in God and Family (because no matter what, they will always love and stand by you) imagine the best life has to offer is yet to come and never stop dreaming.

Love and much happiness and success!
Uncle Howard
Proverbs 3:5-6

Sweet little ladybug where has the time gone? We are so proud of you and the young lady that you have become. We were truly blessed when God gave you to us. We love you and even though you may have outgrown our laps you will never out grow our hearts. Our wish for you is that you always do your best and know...A daughter is the happy memories of the past, the joyful moments of the present, and the hope and promise of the future.

 Follow Your Destiny,
 Wherever It Leads You!

There comes a time in your life when
 You realize that if you stand still, you will
 Remain at this point forever. You realize
 That if you fall and stay down, life will
 Pass you by.

Life's circumstances are not always what
 You might wish them to be. Rather than
 wondering about or questioning the
 direction your life has taken, accept the
 fact that there is a path before you now.

Walk your path one step at a time.

Keep your head up, and cast your dreams
 To the stars. Keep your belief in yourself and in God
 And walk into your new journey. You will
 Find it magnificent, spectacular, and beyond
 Your wildest imaginings.

We are all so proud of you!
 We love ya very much!

The Lord blessed us with a little girl with a pretty smile 18 years ago, and we are so proud of the young lady that she has become. You are a very unique and special young lady with a sincere and caring heart. Your pretty smile has always brightened up a room and your sense of humor; well it is not like no one else, except maybe your daddy.

We know that whatever path that God leads you down will make a difference in the lives of everyone that you meet. Just remember to put God first and you can do anything that you put your heart and mind to.

*We love you very much!
Daddy and Mama*

Do not be anxious about anything, but in everything, by prayer and petition with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and minds in Christ Jesus.

LESTER JAMES, JR.

*Lester,
Throughout your life you will
walk many paths, meet many
people and experience many
things. Don't ever try to change
the person that you are to meet
someone else's needs. Be yourself,
never stop caring about the things
you value in life and never stop
striving to be your best. You are a
beautiful shining star, don't ever
let anyone dim your light. We love
you, "I love you," means that we
will never let a day go by without
feeling blessed by the giving of a
gift like you.*

ReInvented is Volume 86 of the BALCOALA. It was published by the 2007-2008 annual staff and printed by Taylor Publishing in El Paso, Texas. 330 copies were printed on #80 enamel paper featured within a school designed soft leather bound cover with foil embossing. Each book costs approximately \$100 to print, but thanks to the staff's ability to raise money and the sell of senior ads, we were able to sell the book for \$65. Mike Dunn, our representative from Taylor Publishing, and Randle Cassady, our representative from Bill Miller Photography, were wonderful to work with- thank you so much for all your help.

Most of all I would like to thank the staff for all their hard work and dedication. You guys made another year at Baldwin County High School and memorable one.

YEAR IN REVIEW

2007-2008: We'll always remember it as the year...

Well, the year of the what, exactly? It was the year of the high-tech iPhone, but also the year that good old-fashioned letter writing became popular among students. It was the year that Southern California burned while the Midwest was crippled by ice. This year we saw the bottom fall out of the mortgage market and a bridge in Minneapolis. In Washington, Alberto Gonzales and Karl Rove stepped down; in Boston, the Celtics, Sox and Patriots stepped up. In theaters, Bourne, Shrek, Spidey, and Pirates all came back for "Threequels," but our favorite TV shows were cut off after only a few episodes due to the writers' strike.

And so, with Hollywood on hold and nothing good on TV, we decided to focus our attention on re-thinking our lifestyle and coming up with ways to produce less waste and use less energy. Being Earth-friendly became fashion-forward. Champions of planet preservation are hoping that environmentalism catches on as a new lifestyle rather than a flash-in-the-pan fad.

If so, then we may be able to look back and call 2008 "The Year We Saved The Planet."

Fuel-friendly flyer

Boeing brings us a super-efficient airplane, the 787 Dreamliner, which uses 20% less fuel than similarly sized airplanes.

Hate to burst your bubble

The housing bubble finally burst, big time. Defaults on subprime mortgages rise steadily. As a result, a slew of mortgage companies fail and financial institutions recognize losses exceeding \$135 billion.

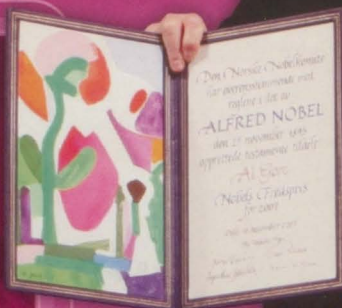

Nobel committee warms up to Gore

Former Vice President Al Gore and the U.N.'s Intergovernmental Panel on Climate Change win the 2007 Nobel Peace Prize for their efforts to raise awareness of global warming.

The pen is mightier

Seeking fair compensation for content distributed through the internet and DVD sales, the Writers Guild of America goes on strike against the Alliance of Motion Picture and Television Producers causing reruns, reality TV and game shows to overwhelm the airwaves. The strike costs the entertainment industry over \$1 billion, and forces us to watch even more YouTube than ever before.

Don't eat that action figure!

More than 20 million toys made in China are recalled amid concern over items made with toxic lead paints and magnets that pose a choking risk to children.

"Harry Potter and the Deathly Hallows"

The final installment of the Harry Potter series breaks sales records as the fastest-selling book ever, selling more than eight million copies in the first 24 hours following its release. Rumor has it that all eight million copies were read immediately, in one sitting, to avoid having the ending spoiled.

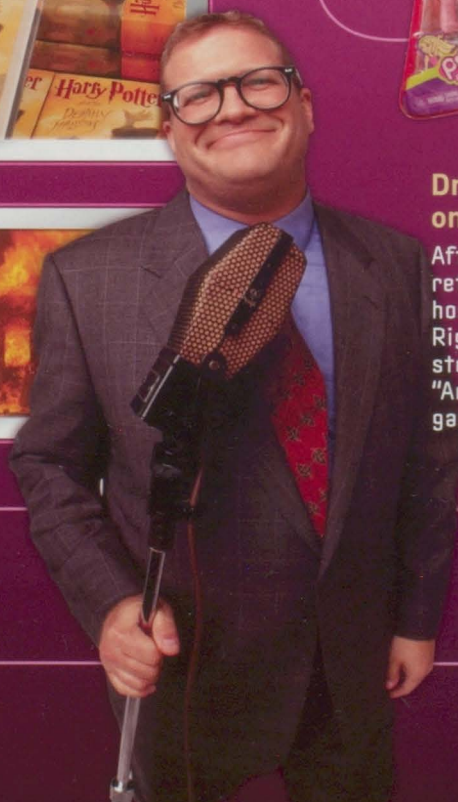

California wildfires

A series of wildfires burns across Southern California resulting in the death of at least ten people, the destruction of over 1,500 homes and leaving over 500,000 acres of scorched earth.

Drew Carey, come on down!

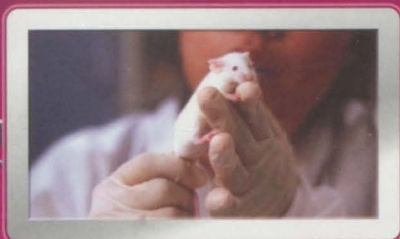

After Bob Barker's retirement from hosting "The Price is Right," Drew Carey steps in to host "America's favorite game show."

"Taps" plays for bottled water

The same people that turned bottled water into a \$15 billion industry are now regretful that 38 million plastic bottles a year are made with 1.5 million barrels of oil. Back to tap water, everybody!

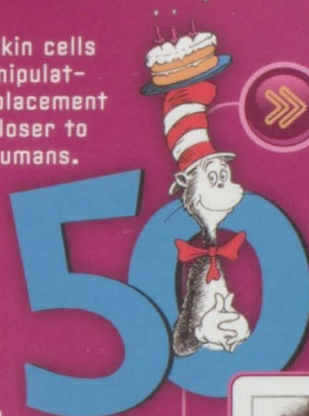

Of mice and men

By rewinding infected mice's skin cells to an embryonic state and manipulating them to create healthy replacement tissue, scientists grow ever closer to curing Sickle Cell disease in humans.

The tides are turning

More and more people, politicians, and scientists are starting to acknowledge the possibility of global warming as a reality, launching a trend to "go green" and take better care of our planet.

The Cat in the Hat turns 50

In 1954, Ted Geisel (a.k.a. Dr. Seuss) was challenged to write a more exciting version of the boring "Dick and Jane" children's reading books. In 1957, "The Cat In The Hat" was born, and Dr. Seuss's famous feline has been teaching kids to read for 50 years.

One Laptop Per Child

The idea is simple: provide children with opportunities to learn and explore, and they will do just that. The XO laptop developed by OLPC is built just for kids, and is designed to be affordable for every school-aged child in the world.

Oprah's high school challenge

This revealing new program shows us high school as high schoolers see it - challenging issues much deeper than prom or pimples.

Queen Rania of Jordan

With lots of press for her philanthropic work advocating women's and children's rights, including appearances on "The Oprah Winfrey Show," Queen Rania is quickly becoming the Queen a lot of young women are looking up to.

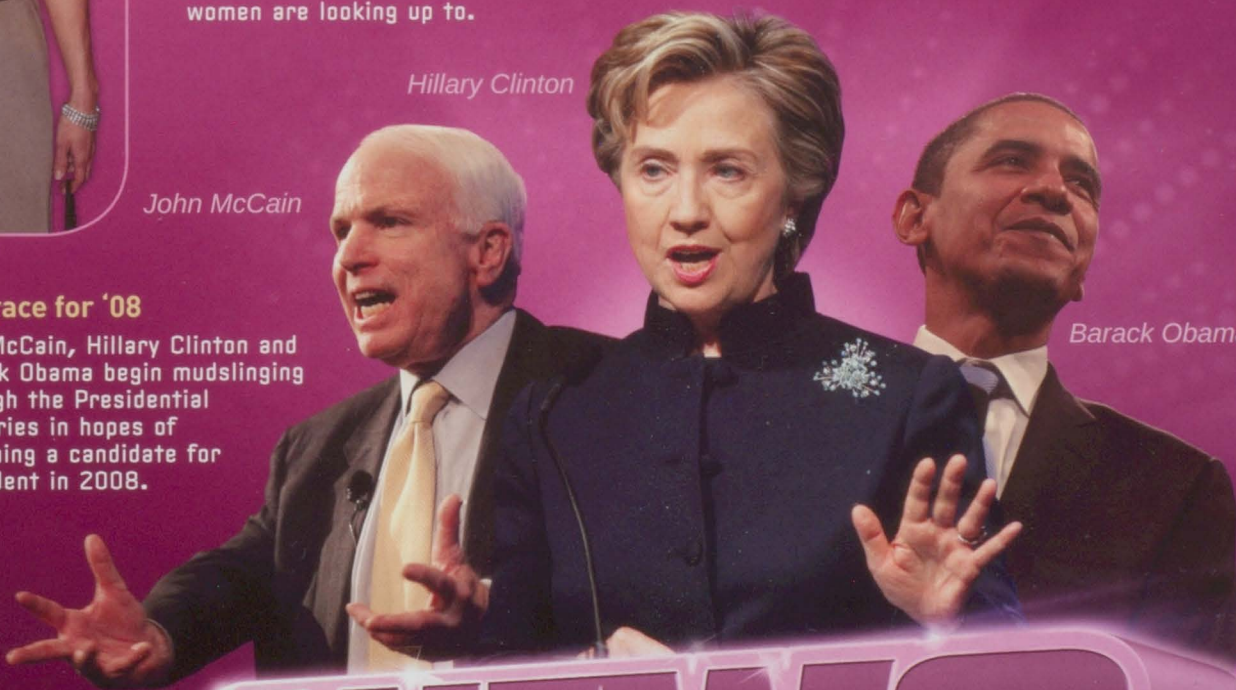

Hillary Clinton

John McCain

Barack Obama

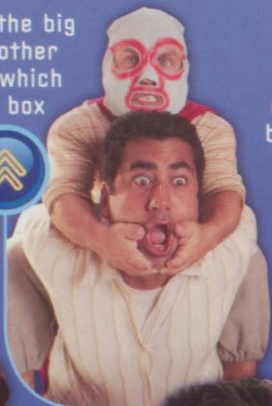

The race for '08

John McCain, Hillary Clinton and Barack Obama begin mudslinging through the Presidential primaries in hopes of becoming a candidate for President in 2008.

A smorgasbord of spoof

Don't have time to see all the big movies of the year? Why bother when there's "Epic Movie," which parodies all of the popular box office hits.

Back in black

In "Spider-Man 3," a strange black sludge bonds with Peter Parker and causes inner turmoil (and a sweet new black costume!) as he battles with new villains, temptations, and revenge.

"Hairspray"

Based on the 1988 cult classic about star-struck teenagers on a local dance show, "Hairspray" puts John Travolta in a dress and shows us a side of him we didn't see in "Saturday Night Fever."

The odds are 13 to 1

Danny Ocean and his crew of high-rolling casino robbers are out for revenge in "Ocean's Thirteen," the third installment of the Las Vegas heist series.

Rink of fire

Will Ferrell and Jon Heder star in "Blades of Glory" as two rival ice skaters banned from competition until a loophole is discovered that allows them to reluctantly skate as a pair.

Bourne again

Still seeking clues about his past and possibly his future, Jason Bourne races around the globe while being pursued by a mysterious assassin in "The Bourne Ultimatum."

One ogre to rule them all

In "Shrek the Third," Shrek's plans to settle down and raise a family are disrupted by the sudden death of King Harold. Rather than take on the duty of ruling Far Far Away, Shrek decides to track down the true heir to the throne, Fiona's cousin, Artie.

Power to the penguin

The penguin has been Hollywood's go-to animal recently. You've seen them march, seen their happy feet dance, and this year, you see them hang ten in "Surf's Up."

"Ghost Rider"

Motorcycle stuntman Johnny Blaze sells his soul to save the life of his beloved, Roxanne Simpson, and becomes "Ghost Rider," a blazing skull-o-justice determined to get his soul back.

Funniest health code violation of 2008

Pixar serves up "Ratatouille," a deliciously funny tale of a French rat named Remy who wants to be a chef despite the obvious problem of being -EEK! - a rat in the kitchen!

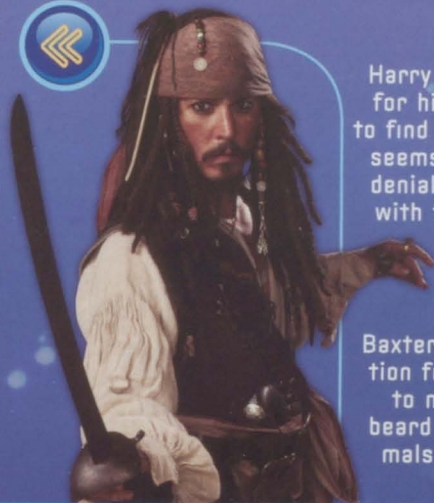

"Hot Rod"

Self-proclaimed (yet lousy) stuntman Rod Kimble prepares for the jump of his life - to clear fifteen buses to raise money for his stepfather's life-saving heart operation.

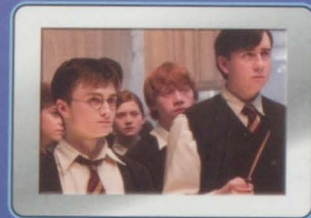

"Pirates of the Caribbean: At World's End"

Swashbucklers Will Turner and Elizabeth Swann are allied with Captain Barbossa in a quest to free Captain Jack Sparrow from his mind-blowing trap in Davy Jones' Locker.

"Harry Potter and the Order of the Phoenix"

Harry Potter returns to Hogwarts for his fifth year of studies, only to find that the magical community seems to be in a curious state of denial about his recent encounter with the sinister Lord Voldemort.
