# Senior Candid

# Samantha Parnell

"I have been involved with my school from the start. I was a part of the Tiger Guard for the first two years of high school, and a Tigrette for the last two. The confidence these teams instilled in me is invaluable, and what persuaded me to run for class president. The position taught me the true meaning of responsibility as I was accountable for the functions that not only I would participate in, but the entire senior class. I hope to bring this level of responsibility with me throughout my college years at the University of Alabama where I will pursue a career in the medical field as a possible surgeon or anesthesiologist, once again liable for the lives of others, and doing what I'm passionate about.

# Savanna Wood

Savanna was a student-athlete for 2 years, playing both softball and volleyball. She was President of the Junior class and maintained a 4.29 GPA throughout her high school career. She is a member of National Honor Society, Interact club, National Art Honor Society and Chemistry Club. She is graduating with a College Prep with Distinction diploma. She will be attending the University of South Alabama in the fall to study Pre-Pharmacy.

## Miranda Beasley

"I've absolutely loved being the Senior Class Secretary this year and I can't wait to see where God places each and every senior in their futures! I plan to attend the University of South Alabama in hopes of becoming a pediatric oncologist.

## Emily Stewart

Emily Stewart was a member of Junior Varsity cheer for 2 years, Junior Varsity soccer, National Honor Society member and Historian for 2016-2017. She is a Junior Ambassador for the North Baldwin Chamber of Commerce. She is a member of Spanish Club and yearbook staff. She has been taking all Advanced Placement coursework. She plans to attend the University of Alabama in the fall and will major in Biology in preparation to become a dentist.

# National Signing Day 2017

National Signing Day is one of the most exciting days of the year for any student athlete. It is a day where all of the long hours, ever rep in the weight room and every drop of sweat at practice, pays off. It's a day where dreams come true and goals are attained. We are fortunate year in to have so many great athletes sign scholarships in order to further their education. There's an old saying that "success breeds success." It is our hope that seeing the tangible evidence of the hard work of our senior signees will boost and encourage our underclassmen to obtain the same goals and have the same dreams, as the ones before them, through the same hard work.

## Bob Robertson

### Para Professional Special Education

Working with our multiple handicapped students, he created a bond with his students and made each one feel special. We thank you, Mr. Bob, for working with our most special students.

## Karen Sims

### Family & Consumer Science

Mrs. Sims has degrees in Elementary Education & Family/Consumer Sciences and she has taught for 35 years.

Mrs. Sims is married and has 3 children and 4 grandchildren. Her hobbies include reading, trailriding with her gaited mule, cooking, sewing, camping, traveling & spending time with grandkids.

Mrs. Sims had this final thought to share, "I love spending time with my animals after teaching all day as they don't talk back, don't ask for money and love me unconditionally."

## Donna Steele

### Chemistry & Physical Science

Mrs. Steele has a quote (given from her Grandpa) that she has always tried to live by: "Don't ever more yourself too far from home." As a child she said she thought that meant moving away to a different location. However, when I got older, I got it. He wasn't talking about physically moving to another place. His meaning was always live my life morally and spiritually as my family has taught me.

Mrs. Steele says, "Many students have walked through the door of my classroom over the past 26 years. My job was to teach them the content standards from the state, but my hope and prayer is that they left my room a better person to make a difference in this world."

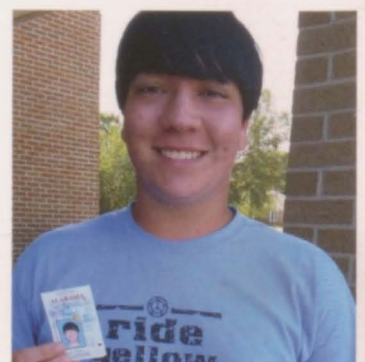

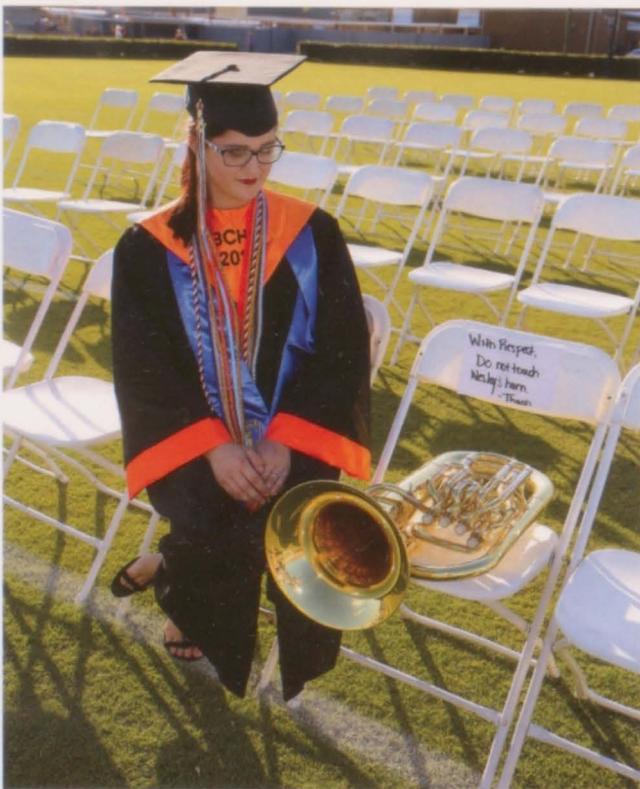

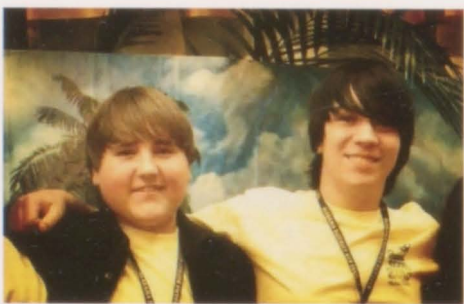

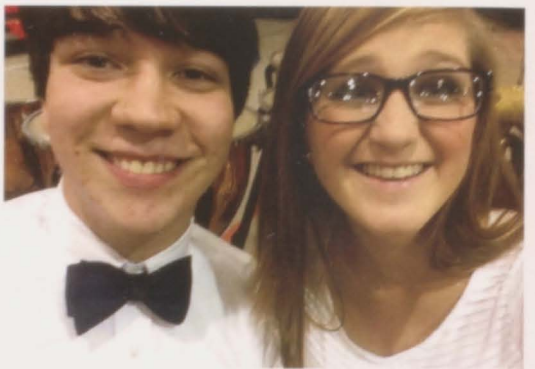

Congratulations  
to our Retirees  
and we thank  
you for your  
service to  
BCHS and our  
students!

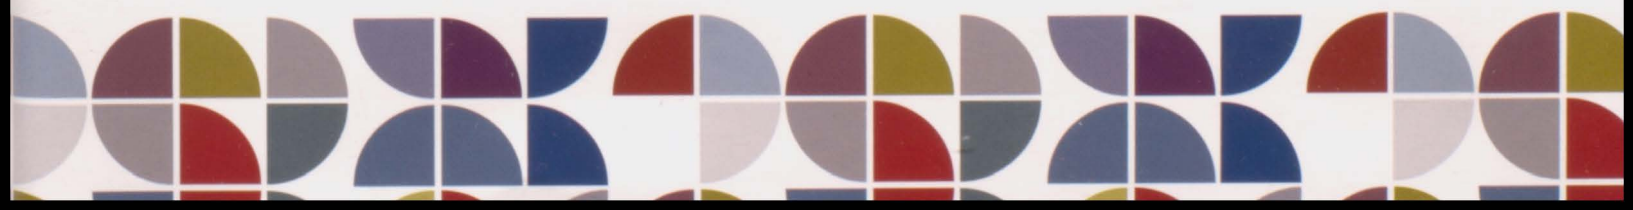

**David Wesley Rabrun, Jr.**  
 8/10/99 - 4/18/15

Wesley was a natural-born leader, a good student, a kind and loving person, and a wonderful human being all the way around. He will be carried in the hearts of all who knew him, and for the ones that knew him well, he changed us all for the better, and we will miss him until we see him again!
