Graduation 2020

2020 Memories

The 2019-2020 school year began in a flash of football games and pep rallies, just a typical school year really. Seniors on track to graduate and good standing left campus for lunch along with a few highly selected Juniors. August and September were a mix of getting used to class schedules teachers and balancing school with weekend fun.

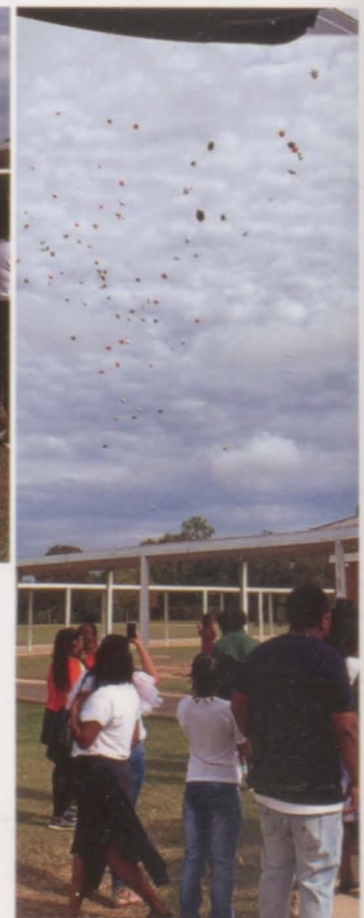

Then October brought us to our knees with storms and rain. First with losing one of our beloved Senior students, Jalen Yelder, and then homecoming festivities the following week had to be altered due to actual storms rolling in. Homecoming game and court activities were moved to Saturday of that week instead of the typical Friday night lights.

We entered the 2020 portion of the school year and things were moving along til Covid-19 virus closed us down for the remainder of the school year. Freshmen through Juniors finished the school year completing their assignments in an online virtual format through Google Classroom. March 16th was the last day on campus physically for the 2019-2020 school year. Seniors who had completed all steps to graduation and were in good standing suddenly had a 9 week Spring Break.

No more spring sports, nor Prom or any of the other usual end of year events typically afforded to Seniors during their last days at BCHS such as Senior Breakfast and Who's Who, Senior Awards Night, respectively. We did have graduation, however, almost a month later on June 1st but with 6 ft. social distancing guidelines in place. This limited the attendees to four per Senior, no graduation practice and no Senior Class group photo.

It was a year of highs and lows, depending upon your perspective but one for sure for the books!

Congratulations Class of 2020!
